RE: NOTICE OF CANCELLATION OF RFP 15-02

REQUEST FOR PROPOSAL (RFP 15-02) HEALTHY COMMUNITIES INITIATIVE (HCI)

The Children and Families Commission for San Bernardino County (First 5) hereby cancels the above referenced RFP in its entirety without any awards.

This has been determined due to a lower than expected response to the RFP and the potential of achieving less than one-half of the impact seen in prior funding cycles based on the number of probable awardees.

Given these unusual circumstances, the Commission has opted to revisit our procurement strategy to determine the best possible investment of Commission funds to address community health that can be met in an effective, equitable, measurable and sustainable way.

We apologize for any inconvenience this has caused. Please refer any inquiries pertaining to this matter in writing to Mary Alvarez, at:
