Report – Karen E. Scott

Executive Director

State of First 5 Address
Thank you all for joining us today in our Anniversary/Birthday celebration. I do want to point out that this event replaces our annual State of First 5 Address typically held in January each year. We hope to have an Open House at our new location sometime early in the new year.

Relocation Update
Things are moving along well. Site is beautiful. We are set to begin transitioning over to the 735 Carnegie Drive site on 11/18/2013 and be complete by November 27th.

Furniture
The Commission has used office furniture and miscellaneous supplies that are available for donation to non-profit, government, faith-based and school organizations. Photos of available items are posted on the First 5 website. First priority for the items will be given to the Commission’s contracted agencies. These items will be offered on an “as is” and “first come, first served” basis. “Takers” must arrange to move the items, provide their own labor, own tools and moving equipment. Recipients of the used furniture will be signing a release of liability, as the Commission will not be liable for any injuries incurred by their laborers.

November is Child Literacy Month
This month’s report includes information about recent events as well as tips and resources for parents.

Appreciation
I would like to extend my sincere appreciation to all of the First 5 staff that contributed to today’s program, celebrating the 15th year anniversary of the passage of Prop 10. Special kudos to Leslie Fountain, our media specialist, for her tireless hours creating our anniversary report; Jeffrey Pontius, soon to be Staff Analyst II, for his research and data collection work to compile the report; and my Leadership Team - Cindy Faulkner, Mary Jaquish, Scott McGrath, Debora Sims, Stacy Scranton and Ann Calkins.
A motion was made by Commissioner Ramos and seconded by Commissioner Hill to approve the Consent Items. With Chair Haugan absent and without further comment or objection, motion carried.

AGENDA ITEM 2
JANUARY 8, 2014

Subject

Employment Contract, Jeffrey Pontius, Staff Analyst II

Recommendations

Approve employment contract between the County of San Bernardino, Children and Families Commission, and Jeffrey Pontius, Staff Analyst II, for an annual cost of $80,793 ($59,758 Salary, $21,035 Benefits), effective January 25, 2014.

(Presenter: Karen E. Scott, Executive Director, 252-4252)

Background Information

Approval of this item will allow the Commission to fill the Staffing Analyst II position to meet its staffing needs. The contract will be effective January 25, 2014, remain in effect for one year, and automatically renew for one-year periods subject to termination provisions of the contract. The contract can be terminated by either party without cause upon 14 days written notice to the other party. The Staff Analyst II position oversees and monitors direct service contracts with contracted agencies; conducts procurements, contract negotiations, and compliance reviews; prepares reports on the performance of the Commission’s program efforts; and serves as a subject matter resource for child health, development, and community engagement.

The California Children and Families First Commission uses California’s tax on cigarettes and tobacco products to provide services for the State’s youngest residents and their families. The San Bernardino County Commission collaborates with the community and child serving agencies to fulfill their mission of promoting, supporting, and enhancing the health and early development of children prenatal through age five and their families.

Under a Board of Supervisor (Board) approved agreement, the County and the Commission maintain a cooperative working relationship to effectively and efficiently implement the Commission’s mission. The terms and conditions of the agreement require Human Services to provide the Commission with support for the administration of staff benefits, review and act on Board agenda items and personnel-related issues, and provide employment contract administration services. The Commission reimburses the County for the cost of these services.

On October 11, 2013, at the request of the Commission, Human Resources provided a certification list of ten qualified Staff Analyst II applicants. The Operations Manager, Research/Evaluation Supervisor, and a Research Assistant from the Commission’s evaluation consultant conducted interviews on October 29, 2013. Based on the interviews and references, Mr. Pontius was offered the position contingent upon Commission and Board approval.

Mr. Pontius has served the Commission for ten years, as a Staff Aid and Staff Analyst I. He has extensive experience in evaluation, research, contract performance analysis, budget preparation, and database management. Based on his experience, the Commission recommends Mr. Pontius begin employment at the rate of $28.73 per hour.

Financial Impact

This item has no impact on Discretionary General Funding (Net County Cost). The total annual cost of $80,793 is fully reimbursed by the Children and Families Commission’s (Commission) Trust Fund. Adequate appropriation and revenue have been included in the Commission’s 2013-14 budget and will be included in future budgets.
This item has been reviewed by Human Resources (Mark DeBoer, Employee Relations Chief, 387-5564) on December 2, 2013; Human Services Contracts (Regina Dalton, Acting Contracts Manager, 388-2041) on December 12, 2013; the Office of County Counsel (Kenneth C. Hardy, Deputy County Counsel, 387-5455) on December 2, 2013.

Contractor shall be eligible to receive the same Short-Term Disability insurance benefits as offered to employees in the Administrative Services Unit.
M. SERVICE AND EFFECT ON BENEFITS

Contractor was a County Contract employee immediately prior to entering into this Contract, without separation from County employment. Execution of this Contract shall not result in separation in County employment for purposes of determining eligibility for and level of benefits including, but not limited to health benefits, leave accrual rates, and retirement benefits. Thus Contractor’s rate for leave accruals is based on the start date of the period of continuous County employment that is extended by this Contract. Contractor shall maintain and carry forward Holiday, Vacation, other paid leave, and Sick Leave balances. Contractor’s retirement contribution rate is based on the date Contractor began participation in the County’s general employee retirement system.

N. BENEFITS UPON TERMINATION OF CONTRACT

Upon separation from County employment, Contractor shall be compensated for any unused Vacation and Holiday Leave at the then base rate of pay. Contractor will be eligible to convert the cash value of unused Sick Leave to the Retirement Medical Trust Fund in the same manner and amount as employees in the Administrative Services Unit, if eligibility requirements are met. If the eligibility requirements are not met at the time of separation, all unused Sick Leave shall be forfeited.

In the event this Contract is terminated because Contractor is appointed to a regular position, without a separation from County employment, the Contractor shall be provided a new date of hire (i.e., Regular Hire Date). Eligibility for benefits including, but not limited to, retirement system contributions, health benefits, and leave accrual rates shall be based upon the provisions of the applicable Memorandum of Understanding (MOU) or ordinance in effect at the time Contractor is appointed to a regular County position. Seniority, for purposes of layoff, shall be determined by the most recent Regular Hire Date or as otherwise provided in the applicable MOU.

At the sole discretion of the appointing authority of the County department or office in which appointment to the regular position is made, unused leave balances may be maintained and carried over. Any leave balances carried over shall be in accordance with the applicable MOU for the bargaining unit associated with the position hired into. Any leave balances not authorized to be carried over shall be distributed as outlined in “Contractor Separated from County Service” above.

Contractor to New Contract Position

In the event the Contractor accepts another Contract position with the County without a break in service, at the sole discretion of the appointing authority of the County department or office in which appointment to the Contract position is made, unused leave balances may be maintained and carried over. Any leave balances carried over shall be in accordance with the applicable MOU for the bargaining unit associated with the position hired into. Any leave balances not authorized to be carried over shall be distributed as outlined in “Contractor Separated from County Service” above.

(Presenter: Scott McGrath, Supervisor, 252-4259) |

| Background Information   | The 2012-2013 Evaluation report was prepared by Harder+Company, who has worked with over 30 First 5 county commissions since 1999 and has served as the external evaluator for First 5 San Bernardino since 2004. Over the years, Harder+Company has worked closely with First 5 San Bernardino staff and its funded agencies to collect, assess and measure data for program improvement and strategic decision-making. These efforts have served to tell the story of how First 5 programs and services have impacted the lives of children and families. The document highlights compelling data collected for the year in the First 5 San Bernardino Strategic plan focus areas of Health, Family and Education. The larger data set collected and analyzed by Harder+Company will be arranged in a separate “Data Book” intended to be used to provide more in depth information as necessary and/or requested. |

AGENDA ITEM 5
JANUARY 8, 2014

Subject
Asset Mapping Results for 2013

Recommendations
Receive information on Asset Mapping Results and Highlights
(Presenter: Scott McGrath, Supervisor, 252-2459)

Background Information
Through an Asset Mapping Project consisting of a community discussion about needs and assets related to social service, economic and built environments, First 5 San Bernardino visited six communities that we serve to find out what kind of assets and resources they find available. The communities “mapped” were Crestline, Big Bear, Montclair, Colton, Victorville and Needles. Some of the questions asked of the community residents during this process included the following:

- What places are you most proud of?
- Where do you feel unsafe?
- Where do you access healthcare?
- What resources do you wish you had in your community?
- Where do your children play?
- What are the physical or cost barriers to accessing services?
- Where do you go for advice when you have questions or needs related to your children ages 0-5?

Asset mapping can verify existing assets and barriers to accessing services as well as clarify where new resources can do the most good, building on community strengths. By engaging, parents, residents and service providers, we are able to recognize those who live and work in the communities as the experts in the strengths and needs of their communities. This project, led by Harder+Co. was conducted between March 2013 and June 2013.

Results of this Asset Mapping project are being shared with government/leadership and service providers to help better understand the assets and needs of the communities and clients, to plan related to strategic programming and outreach, to assist in linking to other resources (network), and to have a clearer understanding of where community members obtain social support. The findings may also help the First 5 Commission in identifying strategic areas for future funding and ways to strengthen the service infrastructure within San Bernardino County.
