ADVISORY COMMITTEE
The next meeting is scheduled for September 22, here at First 5.

QUALITY START IN SAN BERNARDINO COUNTY
Quality Start is the brand new name for QRIS, a program designed to help child care and preschool programs provide the highest quality early learning experiences possible. Other regional partners, such as Orange County, Riverside, and Imperial County use the Quality Start name, as well.

TOBACCO LEGISLATION
Last fall and through early spring, First 5 Commissions across the state watched a package of six (6) tobacco-related special session bills move. These bills proposed to:
- Raise the smoking age to 21
- Regulate e-cigarettes like other tobacco products
- Extend prohibition of smoking in the workplace including hotel lobbies, bars, gaming, etc.
- Extend the smoke free zone to all California schools including charter schools and vehicles
- Allow Counties to tax the distribution of cigarettes and other tobacco products upon voter approval
- Increase California’s tobacco licensing distributor and wholesaler fees

These bills were signed by the Governor on May 4th except the one allowing counties to tax the distribution of cigarettes. The remaining bills took effect on either June 9th or for the bill that increased several tobacco industry fees and some of the provisions of the bill that regulates e-cigarettes, those will take effect on January 2, 2017.

The expected annual impact on First 5 San Bernardino Commission revenue based on two of the bills and as early as FY 2016/17 is as follows:

<table>

Proposition 55 - Extension of Prop 30 Taxes
Proposition 55 would extend the 2012 approved income tax increase rates for 12 additional years (to sunset in 2030-31) and allow the Prop 30 sale tax to expire at the end of 2016.

Revenue projections are sensitive to stock market performance of the overall economy. However, the LAO reports revenue generation of $4 - $9 billion annually, nearly half of which would go towards K-12 education and community colleges. Additional funding would be dedicated to Medi-Cal, the state’s Rainy Day Fund, and paying down debt services.

First 5 Association has not taken a position on Proposition 55.

Proposition 56 - $2 Tobacco Tax
Sponsored by the Save Lives Coalition, Prop 56 would increase the state Tobacco Tax by $2.00 per pack of cigarettes and, for the first time, this measure would also apply excise taxes on e-cigarettes. In doing so, the equivalency of the current 87-cent Tobacco Tax (dedicated to Prop 10 and Prop 99) would be applied to e-cigarettes.

LAO predicts the measure would generate between $1 - $1.4 billion annually, most of which would benefit cancer research and Medi-Cal services.

The $2.00 per pack increase alone would not benefit Prop 10. However, because the measure extends excise taxes to e-cigarettes, taxes would directly benefit Prop 10 and First 5s across the state to the tune of $10 - $40 million annually. If passed, the new taxes would take effect April 2017.

First 5 Association Endorses Prop 56 and recognizes that it can benefit First 5’s and our missions in three key ways:
1) Applying the equivalency of the current tobacco excise tax to e-cigarettes;
2) Significantly bolstering Medi-Cal and Denti-Cal programs; and
3) Further promoting tobacco cessation among Californians.

Proposition 64 – Marijuana Legalization & Taxation
Voters will be asked if adults over the age of 21 can legally use recreational marijuana. If passed, marijuana would be taxed at cultivation and at the point of sale. The proposition allows local municipalities to place additional regulations on marijuana and place additional taxes (on top of state taxes) if approved by voters.

The LAO reports that the measure will generate up to $1 billion in new tax revenue annually. Such revenues will be used to create the Bureau of Marijuana Control, prevent and treat teen drug use, train law enforcement officers, and protect the environment from the harms of marijuana cultivation. There is no provision for First 5s in this measure.

First 5 Association has not taken a position on Proposition 64.

First 5 CA and County Commission are not taking a stand on marijuana and are not currently a party to any conversations about marijuana legalization, regulation or taxation.

Statewide conversations have begun on the appropriate F5 response and delivery of developmental research, prevention campaigns and resources for pregnant women and parents of young children to mitigate any negative effects of marijuana usage.
A motion was made by Commissioner Weinstein and seconded by Commissioner Vargas to approve the Consent Item. Commissioners. With Commissioners Gonzales and Haugan absent, and without further comment or objection, motion carried by unanimous vote.

   c. Jennie Randolph as an Accountant III, for the total annual cost of $84,495 ($58,677 Salary, $25,818 Benefits).
   d. Walid Wahba as a Staff Analyst II, for the total annual cost of $79,334 ($55,869 Salary, $23,465 Benefits).

3. Direct the Assistant Executive Officer for Human Services to transmit all documents in relation to contract amendments to the Clerk of the Board of Supervisors within 30 days of execution.
   (Presenter: Karen E. Scott, Executive Director, 252-4252)

Financial Impact
The total annual cost of $322,497 is fully reimbursed by the Children and Families Commission’s (Commission) Trust Fund. Adequate appropriation and revenue have been included in the Commission’s 2016-17 budget and will be included in future recommended budgets.

Background Information
On January 23, 2001 (Item No. 59), the Board of Supervisors (Board) approved Contract No. 01-50 with the Commission to maintain a mutually cooperative working relationship to effectively and efficiently implement the Commission’s mission. The terms and conditions of the agreement require Human Services (HS) to provide the Commission with support for the administration of staff benefits, review and act on Board agenda items and personnel-related issues, and provide employment contract administration services. The agreement has been amended several times to revise language regarding services or to add services provided by the County. The Commission reimburses the County for the cost of these services.

The Commission has a vacancy for three Staff Analyst II positions and one Accountant III position. The Staff Analyst II position is responsible for oversight and monitoring of direct service contracts; performs research and analytic oversight; serves as the program’s representative, and represents the Commission at governmental and community meetings. The Accountant III position prepares a variety of detailed accounting and financial statements; analyzes fiscal documents; makes complex or difficult adjusting entries; assists in preparation of budgets and establishes budgetary controls.

The recommended contracts shall be effective November 26, 2016 and shall remain in effect through November 25, 2019, subject to the termination provisions of the
contracts. Authorization is requested for the Assistant Executive Officer for Human Services to execute amendments to extend the term of the contracts for a maximum of three successive one-year periods. Notwithstanding the foregoing, either party may terminate the contracts at any time without cause with 14 days prior written notice to the other party. The County may terminate the contracts immediately for just cause.

**PROCUREMENT**

At the request of the Commission, Human Resources provided a certification list of 12 eligible candidates for the Staff Analyst II position. Nine qualified candidates were interviewed from August 31, 2016 through September 2, 2016 by two members of the Commission’s Executive Team. Based on their interviews, education, and experience, Jessica Cain, Victor Hernandez and Walid Wahba were selected as the best qualified candidates. The Commission has a vacancy for an Accountant III position and is recommending filling that position with Jennie Randolph, the employee who previously held that position until May 27, 2016. Jennie Randolph’s initial placement as an Accountant was from a certification list following a recruitment by Human Resources.

Authorization is requested for the Assistant Executive Officer of Human Services to execute amendments to extend the term of the contracts for a maximum of three successive one-year periods. Notwithstanding the foregoing, either party may terminate the contracts at any time without cause with 14 days prior written notice to the other party. The County may terminate the contracts immediately for just cause.

Based on their education and experience and pending Commission approval, First 5 staff recommends employment contracts with the following individuals:

Background Information  
The California Children and Families Act of 1998 (“Act”) was passed as Proposition 10 by California voters in November 1998 and enacted by the State Legislature through California Health and Safety Code Sections 130100 -130155 and Revenue and Taxation Code Section 30131.

Section 130150 of the Act requires every County Commission, on or before October 31st of each year, to issue a written report on the implementation and performance of, their respective functions during the preceding fiscal year.” Section 130140 (a) (1) (G) additionally requires the County Commission to “conduct at least one public hearing prior to adopting any . . . report”.

<th>Career Online High School in Partnership with San Bernardino County Library.</th>

| **Recommendations** | Approve Contract FS076 with San Bernardino County Library in support of the Career Online High School Initiative for Fiscal Year 2016-2018.  
(Presenter: Cindy Faulkner, Operations Manager, 252-4253) |
| **Financial Impact** | $100,000 for Fiscal Year 2016-2017. |
| **Background Information** | The San Bernardino County Library system is a dynamic network of 32 branch libraries which are located over a vast geographical area. Throughout the County, libraries are committed to improving and promoting literacy through services, programs and materials.  
Through the County Library’s support and development of 0-5 programming, the library is aware that a parent’s literacy and education is a critical component to the literacy development of young children. As a result, the San Bernardino County Library has begun to offer 125 scholarships for a service called “Career Online High School.” This service offers adults ages 19 and older the opportunity to earn an accredited high school diploma and career certificate online. This program is open to eligible County residents who apply, complete an online assessment and prerequisite course before being interviewed for enrollment. Career Online High School is committed to the success of its participants. Each learner is paired with an academic coach who will provide the student with an individual career path, provide guidance, evaluate their performance and connect the student with needed resources.  
The partnership between First 5 San Bernardino (F5SB) and the County Library to support this project by funding an additional 100 scholarships throughout the county would target the County of San Bernardino’s Preschool Services Department’s (PSD) parents with children under the age of 6 years old.  
As recommended by PSD’s Shared Governance Board members and one of the strategic goals of both PSD and F5SB, assisting parents with graduating high school or the equivalent is a priority.  
This contract term is December 7, 2016 through December 1, 2018. However, $100,000 will be expended to purchase in full 100 scholarships in Fiscal Year 2016-2017. Participants will have the full contract term to complete the Career Online High School Program.  
Offering this program would result in supporting several efforts to improve graduation and literacy countywide. These include the San Bernardino County Superintendent of Schools goal to increase graduation rates across the County and the County Vision initiatives of Cradle to Career and Vision2Read which aim to support improving literacy and supporting an individual’s path from school into a career. Participation in this program would instill confidence in parents, who in
turn, model the importance of education for children.

Approval of this item supports the Commission’s Strategic Plan:

**SPA 1:** Children and Families  
**Goal:** 1.3: Family and Community Support and Partnerships  
**Objective:** 1.3a: Children are free from abuse and neglect  
**Objective:** 1.3b: Families are resilient

**SPA 2:** Systems and Network  
**Goal 2.1:** Leadership as a Convener and Partner  
**Objective 2.1b:** Families, providers and stakeholders collaborate effectively to improve the well-being of the child.

**WHEREAS**, the Commission has been authorized by the State of California under Section 130100 -130155 of the Health and Safety Code and Section 30131.2 of the Revenue and Taxation Code, in accordance with the Children and Families Act of 1998, to promote, support and improve the early development of children prenatal through age five, and

**WHEREAS**, the Commission has been authorized by these cited references and by County of San Bernardino Code under Sections 12.291 – 12.297 to contract with organizations for services to children prenatal through age five and their families in San Bernardino County, and

**WHEREAS**, the Commission desires that such services be provided by Contractor and Contractor agrees to provide the services as set forth in this Contract.

**NOW THEREFORE**, in accordance with the conditions stated herein, the Commission and Contractor mutually agree to the following terms and conditions:
I. DEFINITIONS

**Accessibility:** Ease of obtaining services, measured by addressing geographical, travel and other barriers.

**Adult-Adolescent Parent Inventory (AAPI):** An inventory designed to assess the parenting and child rearing attitudes of adult and adolescent parent and pre-parent populations. Based on the known parenting and child rearing behaviors, responses to the inventory provide an index of risk for practicing behaviors known to be attributable to child abuse and neglect.

**Affordable Care Act (ACA):** Health care reform law enacted in March 2010. Affordable Care Act (ACA) refers to the final amended version of the law.

**Ages and Stages Questionnaire (ASQ-3):** A developmental screening tool to screen young children to easily identify potential delays as early as possible and determine which children need further assessment or ongoing monitoring. The ASQ:Social Emotional (ASQ-SE) tool measures the social and emotional competence of children.

**Basic Needs:** Necessities to meet the food, shelter, and immediate safety needs of a parent and/or child. These resources are meant to address an immediate need.

**C4Yourself:** A Component to the C-IV System that allows customers to apply for Food Stamps, Medi-Cal, CalWORKS, and CMSP via the internet. Customers enter information to apply online and the data transfers to the C-IV System automatically. Customers have the ability to complete and submit their annual redeterminations/recertifications, access their quarterly/mid-year status reports and have the ability to view the status of their cash/benefits.

**Capital Expenses:** Costs of construction projects, including but not limited to; brick and mortar type projects, demolition, room expansion, carpet installation, air-conditioner or water heater installation/replacement, wheel-chair access ramps, stationary playgrounds or vehicle purchases.

**Care Coordination:** A service deliverable that includes the following activities: implementing an active outreach system to underserved populations, establishing a family's eligibility for services or funding, providing information, answering questions and helping people make decisions about services, helping families complete paperwork to obtain services, making and following up on referrals to health care providers, helping families find interpreters, determining potential barriers for parents and problem-solving to reduce the barriers, arranging for transportation for medical appointments, scheduling appointments and coordinating with other health care appointments if possible, explaining the importance of health care and answering some common health questions, reviewing responsibilities and rights of patients and of health care providers, coordinating with families to facilitate follow-up on recommendations and routine care, and providing re-enrollment assistance.

**Demonstrated Outcomes:** Data supported evidence that indicators addressed through the program demonstrate marked improvement.
**Dental Home:** ongoing relationship between the dentist and the patient, inclusive of all aspects of oral health care delivered in a comprehensive, continuously accessible, coordinated, and family-centered way.

**Dental Screening:** A visual assessment of the child’s oral health, done without instrumentation or the use of x-rays or any other diagnostic equipment. The provider observes, provides fluoride varnish and notes the condition of the teeth, surrounding soft tissues, simple jaw relationships and overall oral hygiene.

**Dental Treatment:** Includes a thorough dental examination with the use of x-rays and proper instruments to diagnose the condition of the teeth and other oral structures. A full scope of treatment may include preventative services, such as cleaning and oral hygiene instruction for parent and/or child, as well as restoration or removal of damaged teeth and proper space maintenance. Complete treatment results in the proper function and comfort of the child’s mouth in a developmentally appropriate way. It anticipates the best possible outcome for healthy permanent teeth.

It measures over time the progress of family outcomes and the effectiveness of interventions.

**Family Empowerment Plan:** A collaborative process that assesses, plans, implements, coordinates, monitors, and evaluates the options and services required to meet the client’s needs in a limited time frame based on a service plan and appropriately aligned with the Nurturing Parenting Program session. Characterized by advocacy, communication, resource navigation, quality cost-effective interventions and outcomes, and linking the client with systems.

**Full Time Equivalent (FTE):** A measurement equal to one staff person employed in a full-time work schedule and which is, for purposes relating to this contract, calculated at 2,080 hours in a year. FTEs provide a common unit of measurement for positions budgeted. **Federally Qualified Health Center (FQHC):** Entities as defined by the Social Security Act at section 1905(l)(2) which, 

"(i) is receiving a grant under section 330 of the Public Health Service Act, or (ii)(I) is receiving funding from such a grant under a contract with the recipient of such a grant and (II) meets the requirements to receive a grant under section 330 of the Public Health Service Act, (iii) based on the recommendation of the Health Resources and Services Administration within the Public Health Service, and is determined by the Secretary to meet the requirements for receiving such a grant including requirements of the Secretary that an entity may not be owned, controlled, or operated by another entity; or (iv) was treated by the Secretary, for purposes of Part B of title XVIII, as a comprehensive Federally-funded health center as of January 1, 1990, and includes an outpatient health program or facility operated by a tribe or tribal organization under the Indian Self-Determination Act or by an urban Indian organization receiving funds under Title V of the Indian Health Care Improvement Act for the provision of primary health services." In considering these definitions, it should be noted that programs meeting the FQHC requirements commonly include the following (but must be certified and meet all requirements stated above): Community Health Centers, Migrant Health Centers, Healthcare for the Homeless Programs, Public Housing Primary Care Programs, Federally Qualified Health Center Look-Alikes, and Tribal Health Centers.
**Indirect Costs**: Costs that have been incurred for the benefit of multiple projects or activities and cannot be readily identified with a particular final cost objective. An organization having several major functions may need to accumulate the indirect costs into separate groupings and then allocate proportionally to the benefiting functions by means of a base which best measures the relative degree of benefit. The indirect cost rate would be used to distribute the proportional amount of indirect costs to the individual projects or activities based on a Board approved cost allocation plan.

**Inland Empire Autism Assessment Center of Excellence (AACE)**: AACE will be designed to provide a comprehensive assessment for all children referred as potentially being diagnosed with Autism Spectrum Disorder ASD. The center will be designed around the child to be child-centric rather than agency-centric.

The long-term goals are to prevent recidivism in families receiving social services, lower the rate of multi-parent teenage pregnancies, reduce the rate of juvenile delinquency and alcohol abuse, and stop the intergenerational cycle of child abuse by teaching positive parenting behaviors.

**Nurturing Parenting**: Evidence/research based curriculum that is a family-centered and trauma-informed initiative designed parenting and child-rearing practices. The programs feature activities to foster positive parenting skills and self-nurturing, home practice exercises, family nurturing time, and activities to promote positive brain development in children birth to 18 years.

**Nurturing Skills Competency Scale (NSCS)**: A comprehensive criterion referenced measure designed to gather demographic data of the family, as well as knowledge and utilization of Nurturing Parenting Practices. The data generated from the pre-post administration and NSCS allows parents and staff an opportunity to measure changes in family life, knowledge and utilization of Nurturing Parenting practices.

**Obesity**: Defined as a BMI at or above the 95th percentile for children of the same age and sex within the ages of 2-19 years.

**Outcome**: The result, which the Commission seeks (as outlined in the Strategic Plan) and to which all performance targets must contribute to a measurable change.

**Participant Transportation**: Budget line item category for costs involved with transporting participants to needed services and/or appointments.

**Professional Services/Consultants**: Independent contractors hired to perform services not related to providing direct services. Examples include janitorial services, bookkeeping services, speakers, etc.
Program Materials/Supplies: Budget line item category for items directly related to service delivery such as course curriculum, children’s books, journals used by participants, child development toys, etc.

Program Work Plan: A document containing program expectations and deliverables as agreed upon by First 5 San Bernardino and program contractors. This document is signed by the contractor leadership and is approved by the First 5 San Bernardino Commission.

Quality Child Care: Licensed child care and early learning programs (including home-based and center-based care) are safe, healthy, nurturing, stimulating, supportive, interactive, culturally appropriate and sensitive to the needs of all children. They promote early education and the development of trusting relationships to support individual children’s physical, emotional, social and intellectual development.

Relapse: The process of becoming unable to cope with life in sobriety. The process may lead to renewed alcohol or drug abuse, physical or emotional collapse, or suicide and is marked by predictable and identifiable warning signs that begin long before a return to use or collapse occurs.

Relapse Prevention: Efforts to teach people to recognize and manage warning signs so that they can interrupt the progression to relapse or collapse and return to the process of recovery.

Request for Proposal (RFP): The document used to solicit a solution or solutions from potential Contractors to a specific problem or need.

Researched Based: See evidence-based: Using research as the basis for determining best practices.

Reasonable Rate of Success: Total number of program participants expected to successfully complete the program meeting the outcome targets.

Resource Center: A facility to which children, prenatal through age five, and families access services needed. Two basic program elements must be present at a Resource Center for it to meet the minimal definition: (i) referrals and linkages to critical services and programs, not represented physically at the center, and (ii) case management (see definition for Case Management).

Rural Health Clinic (RHC): Clinics that are certified under section 1861(aa)(2) of the Social Security Act to provide care in underserved areas, and therefore, to receive cost-based Medicare and Medicaid reimbursements.

Satisfaction Survey: Survey designed to measure the participant’s overall satisfaction with the services rendered. Satisfaction Surveys address specific aspects of service provision in order to identify problems and opportunities for improvement.

Special Needs: Children having an identified disability, health, or mental health condition(s) that require early interventions, special education services, or other specialized supports.

Strengthening Families™: A framework for working with children and families. The approach allows for consistency across child- and family-serving systems and acknowledges the interdependent factors affecting families every day. The foundation of this framework is built upon five research-based Protective Factors. When these Protective Factors are present and robust, families are less likely to experience child abuse or neglect and are more equipped to create environments for young children’s optimal development.

Subcontractor: Agencies contracted by the primary Contractor to provide direct services for which they will be responsible for achieving the performance targets for the portion of services they are providing. Contractor shall be responsible for the performance of any subcontractor.

Recommendations
Conduct Public Hearing for the Children and Families Commission of San Bernardino County Annual Audit for Fiscal Year 2015-2016.

(Presenter: Debora Dickerson-Sims, Administrative Manager, 252-4269)

Financial Impact

Background Information
The California Children and Families Act of 1998 (“Act”) was passed as Proposition 10 by California voters in November 1998 and enacted by the State Legislature through California Health and Safety Code Sections 130100-130155 and Revenue and Taxation Code Section 30131.

Section 130150 of the Act requires every County Commission, on or before October 15 of each year, to “conduct an audit of, and issue a written report on the implementation and performance of, its functions during the preceding fiscal year.”  Section 130140 (a) (1) (G) additionally requires the County Commission to “conduct at least one public hearing prior to adopting any annual audit …”.

Vavrinek, Trine, Day & Co. LLP (VTD) conducted an audit of the First 5 San Bernardino Commission encapsulating all fiscal activity of the Commission for Fiscal Year 2015-2016 and has developed an audit report as required by Section 130150.

If applicable, audit findings will be presented which includes auditor’s recommendation and First 5 staff’s response to the findings.

AGENDA ITEM 7
NOVEMBER 2, 2016

Subject
Revise Fund Balance Policy CFC 06-11 A1

Recommendations
Approve Amendment A1 to CFC 06-11 Fund Balance Policy.
(Presenter: Debora Dickerson-Sims, Administrative Supervisor II, 252-4269)

Financial Impact
None

Background Information
On June 1, 2016, the Commission approved a minimum fund balance reserve in the amount of $22M. Commissioners directed First 5 San Bernardino (F5SB) staff to develop parameters to determine when and how the fund balance reserve will be expended.

Staff reviewed fund balance policies which included reserve language from other First 5 Commissions as well as the County of San Bernardino’s policy. The policy and suggested revisions were shared and discussed with the F5SB Advisory Committee on September 22, 2016.

Based on research and discussion with the Advisory Committee, F5SB recommends revising the existing fund balance policy under the “committed” category which requires formal action to remove or modify. The recommended change is as follows:

Minimum Fund Balance Reserves

1. The minimum fund balance reserve is maintained at the level of $22M. Reserve funds may be utilized for the following purposes:
   a. Cash Flow: To mitigate delays in receiving revenues
   b. Extreme Events: To restore and continue operations should an unanticipated event or natural disaster occur.
   c. Budget: To ensure a sufficient level of fund balance to meet the Commission obligations in the event of a revenue shortage.

Pending Commission approval, the revision will go into effect immediately.

The San Bernardino County First 5 (the First 5 San Bernardino (Commission)) considers it prudent to establish a policy for its fund balances. The Fund Balance Policy will assist with effective development of annual budgets, and promote clear communications with the general public, staff, and administration. The elements of the policy are created by the Commission for its own purposes and may, therefore, be revised by the Commission as needed in the future.

The purpose of this policy is to:
1. Establish who has the authority to commit or assign fund balance.

Definitions and Reporting

1. **Fund Balance** - All financial assets less liabilities normally expected to be liquidated with current financial resources. The following are categories of fund balance:
   a. Non-spendable (inherently non-spendable)
      i. Portion of net resources that cannot be spent because they are not in an expendable form (e.g., Prepaid Expense or Inventory).
      ii. Portion of net resources that cannot be spent because they must be maintained intact (e.g., revolving fund or the principal of an endowment).
   b. Restricted (externally enforceable limitations on use)
      i. Amounts or limitations constrained to specific purposes by their providers (such as creditors, grantors, contributors, or laws and regulations of other governments - e.g., funds advanced by First 5 CA under specific agreements for services such as matching funds for specific initiatives).
      ii. Amounts or limitations imposed by law through constitutional provisions or enabling legislation. (e.g., funds legally restricted by county, state, or federal...
legislature, or a government’s charter or constitution; or amounts collected non-spendable items such as long term portion of loan outstanding if those amounts are subject to legal constraint).

c. Committed (self-imposed limitations in place prior to end of the period)
   i. Limitation imposed at the highest level of decision making that require the same formal action at the same level to remove or modify.
   ii. Resources in this category include:
      1. Resources committed for a specific purpose and/or future initiatives.
      2. Funding that has been designated for legally enforceable contracts but not yet spent (includes multi-year contracts).
      3. Resources that have been committed by a Commission for specific agreements that have not yet been executed.
      4. Resources committed as local match for a State Commission initiative, programs or projects within the approved long-range financial plan, funding recommendations or the strategic plan.
   iii. Minimum fund balance reserves.
      1. The minimum fund balance reserve is maintained at the level of $22M. Reserve funds may be utilized for the following purposes:
         a. Cash flow: to mitigate delays in receiving revenues.
         b. Extreme events: to restore and continue operations should an unanticipated event or natural disaster occur.
         c. Budget: to ensure a sufficient level of fund balance to meet the Commission obligations in the event of a revenue shortage.

d. Assigned (limitation resulting from intended use)
   i. Amounts or limitations that are constrained by the Commission’s intent to be used for a specific purpose.
   ii. The purposes of the assignment must be narrower than the fund itself.
   iii. Resources that fit into the “assigned” category may include:
      1. Appropriation of a portion of existing fund balance sufficient to eliminate a projected deficit in the subsequent year’s budget.
      2. Resources assigned to a specific program, project, or organization for which the Commission has approved a plan or budget.

<th>Subject</th>
<th>Non-Financial Memorandum of Understanding (MOU) with County of San Bernardino Preschool Services Department.</th>

| Recommendations | Approve non-financial Memorandum of Understanding with the County of San Bernardino Preschool Services Department (PSD) to provide literacy, math skills, and social and emotional development skills for eligible PSD children through the use of AmeriCorps members for the period of September 01, 2016 through June 30, 2018.  
(Presenter: Mary Jaquis, Staff Analyst II, 252-4254) |
| Financial Impact | None. |
| Background Information | Under the terms of the recommended non-financial MOU, First 5 San Bernardino (F5SB) will provide school readiness skills and services to children ages 3 to 5 through the use of AmeriCorps members. AmeriCorps members (School Coaches) are school coaches recruited by F5SB to provide one-on-one developmental skill-building activities to preschool-aged children. The services will be provided to children who have not met established age appropriate milestones for their age in one or more areas in literacy, math skills, or social and emotional development, as determined by Preschool Services Department (PSD).  
The primary objective of the services provided by F5SB is to teach the high-needs children literacy, math, and developmental skills in order to ensure a smooth transition into kindergarten.  
As part of the Head Start Program, PSD assesses a child utilizing a research-based tool to identify children who may not be at the prescribed developmental stage for their age. Children who are identified as high-need are referred to one-on-one coaching provided by AmeriCorps members. AmeriCorps members will conduct an in depth assessment to identify the specific needs of the child as well as the plan of instruction to improve the skill level for each identified child.  
F5SB will provide 4 full-time AmeriCorps School Coaches, on a one-to-one basis, at four PSD sites, to focus on developmental skill-building activities to the identified high-needs children. Also, services may be provided to the caregiver to emphasize the use of these skills in the home. The confirmed Head Start school sites in which AmeriCorps members will serve in Fiscal Year 2016-2017 are Ontario-Maple, Ontario-Westminster, Rialto Renaissance and Rialto Eucalyptus. PSD will continue to monitor the child’s progress three times per year utilizing their standardized assessment tool. Success will be measured by the scores of the assessments performed by PSD as well as the assessment scores conducted by the AmeriCorps Gold Standard Assessment Tool.  
This MOU aligns with the Commission’s education service priority area (SPA 1), Goal 1.2 Early Learning. |
Pending Commission approval, this MOU shall become effective September 1, 2016 through June 30, 2018.

J. **School Readiness Services** – Educational activities that prepare young children to enter kindergarten. For the purposes of this program, educational activities consist of literacy, math skills, and social emotional development.

K. **Teaching Strategies GOLD Assessment** – An ongoing (pre & post) observational assessment system for assessing children from birth through kindergarten. Grounded in 38 research-based
objectives that include predictors of school success and are fully aligned with the Common Core State Standards, state early learning guidelines, and the Head Start Child Development and Early Learning Framework.

2016/2018 PERFORMANCE MEASURES

The following information represents the Performance Measures that were submitted and approved by California Volunteers and CNCS as part of the 2015/18 First 5 Service Corps proposal. As such, they reflect the statewide aggregate outputs and outcomes for the program. The COMMISSION (SUBCONTRACTOR) is responsible for meeting its specific outputs and outcomes, a subset of the aggregate values. The COMMISSION (SUBCONTRACTOR) Performance Measure targets are dependent upon the full enrollment of the number of AmeriCorps member position is included in this Contract. The COMMISSION (SUBCONTRACTOR) shall vigorously pursue 100% retention of AmeriCorps members.

### PRIMARY PERFORMANCE MEASURE TITLE: SCHOOL READINESS

#### NEED
Research indicates a child’s early development of social emotional, literacy, and numeracy skills are critical for school success. Economically disadvantaged children and/or children with exceptional needs, such as English language learners are most at-risk for academic failure as they lack access to quality early childhood education programs with linguistically appropriate instruction. Many low-income or non-English speaking parents lack the knowledge/resources needed to play a critical role in their child’s school success.

#### EXPECTED RESULTS

**Output (the amount of service provided, people served, products created, or programs developed through planned intervention):**

- Children and parents receive school readiness activities and services.

**Outcome (the changes or benefits that occur as a result of the intervention):** Children meet age-appropriate developmental school readiness milestones.

#### AMERICORPS MEMBER ACTIVITIES DESIGNED TO ACHIEVE EXPECTED RESULTS

AmeriCorps members provide 25 economically disadvantaged children 35 hours of one-on-one GOLD Assessment school activities in social emotional, literacy, and numeracy. Members administer GOLD Assessment and develop an individualized Early Education Plan and deliver social emotional, literacy, and numeracy skills activities in classroom, small group, and one-on-one settings. Members provide parents of economically disadvantaged children 5 hours of workshops teaching the importance of and techniques for book sharing with children at home to develop family literacy routines. Members provide culturally and linguistically appropriate books and a DVD so parents read to their child for 20 minutes 3 times per week for 8 weeks, applying what they have learned.

#### MEASUREMENT TOOLS

**OUTPUT - Student Daily Contact Log** to collect data on number of children who start and complete participation in an AmeriCorps Early Childhood Education Program, the number of hours that children receive skill-building services in social emotional, literacy, and/or numeracy. Members submit data in the online database monthly, Project Manager monitors quarterly. Completed by AmeriCorps members daily.

**OUTCOME - Teaching Strategies GOLD Assessment** to collect data on the number of children that demonstrate social emotional, literacy, and/or numeracy skills. Members submit data in the online database monthly, Project manager monitors quarterly. Completed by AmeriCorps members within the first 5 hours of service delivery, at 35 hours of service delivery, and at the end of the program year (year-long programs).
OUTCOME - Raising a Reader Parent Survey to collect data on the number of parents that demonstrate improvement in family literacy behaviors including sharing books with their children more frequently, visiting the library, establishing a family routine for reading books to their child 60 minutes/per week for 8 weeks. Members submit data in the online database monthly, Project manager monitors quarterly. Completed by AmeriCorps members at the onset of service delivery, and at the end of the service delivery.

SUBCONTRACTOR’s active AmeriCorps members and to assume the remaining cash match contribution for said AmeriCorps members amongst those county Children and Families Commissions or community based organizations then participating in the First 5 Association of California. Furthermore, SUBCONTRACTOR agrees to assist with the transition of any active AmeriCorps members to First 5 Commission service sites or programs.

VII. Termination for Cause
PCA CA may terminate this Contract for cause upon giving ten (10) calendar days written notice to SUBCONTRACTOR should SUBCONTRACTOR materially fail to perform this Contract in the time and/or manner specified. Before such termination takes effect, however, SUBCONTRACTOR shall have ten (10) calendar days to cure the failure to perform. In the event of such termination, PCA CA may proceed with the work in any manner deemed proper by PCA CA. If notice of termination for cause is given by PCA CA to SUBCONTRACTOR and it is later determined that SUBCONTRACTOR was not in default or the default was excusable, then the notice of termination shall be deemed to have been given without cause pursuant to paragraph (VI.A) above.

VIII. Signature Authority
The parties executing this Contract certify that they have the proper authority to bind their respective entities to all terms and conditions set forth in this Contract.

IX. Mutual Indemnification
Each party shall indemnify, defend, protect, hold harmless, and release the other, their elected bodies, officers, agents, and employees, from and against any and all claims, losses, proceedings, damages, causes of action, liability, costs, or expense (including attorneys’ fees and witness costs) arising from or in connection with, or caused by any negligent act or omission or willful misconduct of such indemnifying party. This indemnification obligation shall not be limited in any way by any limitation on the amount or type of damages or compensation payable to or for the indemnifying party under Workers’ Compensation acts, disability benefit acts, or other employee benefit acts.

X. Independent Contractor
SUBCONTRACTOR is an independent contractor and not an agent, officer, or employee of PCA CA. XI. Conflict of Interest
A. The parties warrant that their employees and/or their immediate families and/or Board of Directors and/or officers have no interest, including, but not limited to, other projects or independent contracts, and shall not acquire any interest, direct or indirect, including separate contracts for the work to be performed hereunder, which conflicts with the rendering of services under this Contract. The parties shall employ or retain no such person while rendering services under this Contract. Services rendered by either party’s associates or employees shall not relieve the party from professional responsibility under this clause.

B. The parties have an affirmative duty to disclose to each other in writing the name(s) of any person(s) who have an actual, potential, or apparent conflict of interest.
XII. Subcontracting
If SUBCONTRACTOR contracts with another organization to either administer or host AmeriCorps members, the contract must incorporate 45 CFR XXV, and the CNCS Terms & Conditions, and require that such provisions are binding upon the contractor. SUBCONTRACTOR must provide a copy of the contract to PCA CA within fifteen (15) business days of execution, and must be approved by PCA CA no less than forty-five (45) calendar days prior to the start of this Contract. XV. Nondiscrimination
A. It is the policy of PCA CA to assure all persons of equal rights and opportunities with respect to serving in this program. A person, including an AmeriCorps member, a community beneficiary, or program staff, may not, on the grounds of race, color, national origin, sex, age, political affiliation, sexual orientation, disability, in most cases religion, or any other bases protected by federal, state, or local law, or ordinance or regulation, be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination, directly or through contractual or other arrangements, under any program or activity receiving federal financial assistance. PCA CA will not retaliate against any person who, or organization that, files a complaint about such discrimination.

B. Further, in fulfilling their duties and responsibilities under this Contract, the parties shall not discriminate against their employees, AmeriCorps members, or AmeriCorps applicants, which includes, but is not limited to, employment upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

XXVII. Inspection and Examination

A. Authorized representatives of PCA CA may inspect and/or examine SUBCONTRACTOR’s performance, place of business, and/or records pertaining to this Contract. SUBCONTRACTOR agrees to maintain such records for possible inspection/examination for a period of not less than seven (7) years following termination or expiration of this Contract. **XXVIII. Grievance Procedure**

**PCA CA** has established and maintains a procedure for the filing and adjudication of grievances from AmeriCorps members, labor organizations, and other interested individuals concerning this program, in accordance with 45 CFR XXV §2540.230. If the grievance alleges fraud or criminal activity, it must immediately be brought to the attention of CNCS’ Inspector General.

A. Alternative Dispute Resolution
   1. The aggrieved party may seek resolution through alternative means of dispute resolution such as mediation or facilitation. Dispute resolution proceedings must be initiated within forty-five (45) calendar days from the date of the alleged occurrence. At the initial session of the dispute resolution proceedings, the party must be advised in writing of his or her right to file a grievance and right to arbitration. If the matter is resolved, and a written agreement is reached, the party will agree to forego filing a grievance in the matter under consideration.

   2. If mediation, facilitation, or other dispute resolution processes are selected, the process must be aided by a neutral party who, with respect to an issue in controversy, functions specifically to aid the parties in resolving the matter through a mutually achieved and acceptable written agreement. The neutral party may not compel a resolution. Proceedings before the neutral party must be informal, and the rules of evidence will not apply. With the exception of a written and agreed upon dispute resolution agreement, the proceeding must be confidential.

B. Grievance Procedure for Unresolved Complaints
   If the matter is not resolved within thirty (30) calendar days from the date the informal dispute resolution process began, the neutral party must again inform the aggrieved party of his or her right to file a formal grievance. In the event an aggrieved party files a grievance, the neutral party may not participate in the formal complaint process. In addition, no communication or proceedings of the informal dispute resolution process may be referred to or introduced into evidence at the grievance and arbitration hearing. Any decision by the neutral party is advisory and is not binding unless both parties agree.

C. Time Limitations
   Except for a grievance that alleges fraud or criminal activity, a grievance must be made no later than one (1) year after the date of the alleged occurrence. If a hearing is held on a grievance, it must be conducted no later than thirty (30) calendar days after the filing of such grievance. A decision on any such
grievance must be made no later than sixty (60) calendar days after the filing of the grievance.

D. Arbitration
1. Arbitrator
   a. Joint selection by parties. If there is an adverse decision against the party who filed the grievance, or sixty (60) calendar days after the filing of a grievance no decision has been reached, the filing party may submit the grievance to binding arbitration before a qualified arbitrator who is jointly selected and independent of the interested parties.
   b. Appointment by CNCS. If the parties cannot agree on an arbitrator within fifteen (15) calendar days after receiving a request from one of the grievance parties, CNCS' Chief Executive Officer will appoint an arbitrator from a list of qualified arbitrators.

2. Time Limits
   a. Proceedings. An arbitration proceeding must be held no later than forty-five (45) calendar days after the request for arbitration, or, if the arbitrator is appointed by the Chief Executive Officer, the proceeding must occur no later than thirty (30) calendar days after the arbitrator's appointment.
   b. Decision. A decision must be made by the arbitrator no later than thirty (30) calendar days after the date the arbitration proceeding begins.

3. The Cost.
   a. The cost of the arbitration proceeding must be divided evenly between the parties to the arbitration. If, however, a participant, labor organization, or other interested individual prevails under a binding arbitration proceeding, the State or local applicant that is a party to the grievance must pay the total cost of the proceeding and the attorney's fees of the prevailing party.

E. Suspension of Placement
   If a grievance is filed regarding a proposed placement of a participant in a program that receives assistance under this chapter, such placement must not be made unless the placement is consistent with the resolution of the grievance.

F. Remedies
   Remedies for a grievance filed under a procedure established by a recipient of CNCS assistance may include:
   1. Prohibition of a placement of a participant; and
   2. In grievance cases where there is a violation of nonduplication or nondisplacement requirements and the employer of the displaced employee is the recipient of CNCS assistance:
      a. Reinstatement of the employee to the position he or she held prior to the displacement;
      b. Payment of lost wages and benefits;
      c. Re-establishment of other relevant terms, conditions and privileges of employment; and
      d. Any other equitable relief that is necessary to correct any violation of the nonduplication or nondisplacement requirements or to make the displaced employee whole.

G. Suspension or Termination of Assistance
   CNCS may suspend or terminate payments for assistance under this chapter.
H. Effect of Noncompliance with Arbitration
   A suit to enforce arbitration awards may be brought in any Federal district court
   having jurisdiction over the parties without regard to the amount in controversy or
   the parties’ citizenship.

XXIX. Compliance with Laws
   The parties shall observe and comply with all applicable laws, regulations and
   ordinances including, but not limited to: Federal, State, and County laws, regulations and
   ordinances.

XXX. Disallowed Costs
   A. In the event that CNCS funds are expended, or caused to be expended, that are
      not allowable under AmeriCorps regulations, such expenditures may be
      disallowed. In cases where SUBCONTRACTOR may have incurred unallowable
      expenditures, PCA CA will conduct an investigation and notify
      SUBCONTRACTOR of the results of such investigation in writing. If
      SUBCONTRACTOR (or its Contractor) is responsible for the unallowable
      expenditure without having previously obtained approval from PCA CA,
      SUBCONTRACTOR will assume any and all financial liability associated with
      any such findings, and promptly provide supporting documentation and
      reimbursement for the unallowable expended funds to PCA CA upon receipt of
      an invoice.
   B. Termination or expiration of this Contract shall not impede PCA CA’s right to
      recover funds related to disallowed costs from SUBCONTRACTOR (or its
      Contractor) on the basis of a later audit or other review.

XXXI. Enforcement
   If SUBCONTRACTOR (or its Contractor) materially fails to comply with the terms and
   conditions of this Contract and its exhibits, including failure to recruit the contracted
   number of AmeriCorps members for enrollment in the program, or retain them, PCA CA
   may take one or more of the following actions, as appropriate in the circumstances:
   A. Wholly or partly suspend or terminate the current Contract;
   B. Reduce the number of contracted member positions in future enrollment periods;
      or
   C. Impose other remedies that may be legally available.

XXXII. Whistleblower Rights and Remedies
   A. SUBCONTRACTOR is required to notify all of its employees in writing of
      employee whistleblower rights and protections under 41 U.S.C. § 4712, as
      described at: http://www.cncsoig.gov/contractor-whistleblower-protection-
      0?node-1001. As such, SUBCONTRACTOR is required to notify all of its
      employees that they may not be discharged, demoted, or otherwise discriminated
      against for disclosing information that an employee reasonably believes is
      evidence of:
      1. Gross mismanagement or waste of a Federal contract or grant;
2. An abuse of authority relating to a Federal contract or grant (an arbitrary and
capricious exercise of authority that is inconsistent with the mission of CNCS
or the successful performance of a contract or grant of CNCS);
3. A substantial and specific danger to public health or safety; or
4. A violation of law, rule, or regulation related to a Federal contract or grant.

B. SUBCONTRACTOR is required to notify all of its employees that an employee
may disclose suspected wrongdoing described above to any of the following:
1. The CNCS Office of Inspector General;
2. A CNCS employee responsible for contract or grant oversight or
management;
3. A management official or other employee of SUBCONTRACTOR who
has the responsibility to investigate, discover, or address misconduct; or
4. An authorized official of the U.S. Department of Justice or other law
enforcement agency, a Member of Congress, or a representative of a
committee of Congress, or the Government Accountability Office ("GAO").

C. SUBCONTRACTOR is required to notify all of its employees in writing that if an
employee believes that he or she has been subjected to reprisal for disclosed
wrongdoing described in XXXII.A above, the employee may submit a complaint
to the CNCS OIG within three (3) years of the date on which the alleged reprisal
took place.

D. If SUBCONTRACTOR contracts with another organization to either administer or
host AmeriCorps members, the contract must incorporate the requirement of this
section, and require that such provisions are binding upon the contractor.

SUBCONTRACTOR shall be responsible for contractor's compliance with these
regulations.

E. Neither SUBCONTRACTOR (or its Contractor, if applicable) shall require their
respective employees to sign or comply with any internal agreements or
statements prohibiting or otherwise restricting the lawful reporting of suspected or
confirmed compliance issues to any entity authorized to receive such information.

XXXIII. Entire Contract
This Contract, including any exhibits referenced, constitutes the entire agreement
between the parties and there are no inducements, promises, terms, conditions, or
obligations made or entered into by PCA CA or SUBCONTRACTOR other than those
contained in this Contract.
EXHIBIT D

I. Program and Member Costs
A. During the term of this Contract, **PCA CA** will incur and pay expenses associated with the program, including costs associated with the AmeriCorps members recruited by **SUBCONTRACTOR** (or its Contractor) and subsequently enrolled in the program by **PCA CA**.

B. **SUBCONTRACTOR** (or its Contractor) will make a cash match contribution, as outlined in Section II. Cash Match Contribution (below), to **PCA CA**. The cash match contribution will be applied against **PCA CA**'s expenditures for **SUBCONTRACTOR**'s AmeriCorps members, and operation of the program.

**Total:** $65,888.00

B. The first invoice is comprised of the Program Operating Cost as listed in Section II.D above, and the anticipated Direct Member Cost for the first three (3) months of the term of this Contract, for all of SUBCONTRACTOR’s contracted AmeriCorps member positions. Subsequent invoices shall be based on remaining Direct Member Cost.

C. Invoices shall be deemed due and payable within the timeframes listed in Section III.A above. Invoice amounts are based on 100% enrollment and retention of SUBCONTRACTOR’s contracted AmeriCorps member positions.

D. A late fee of 3% of the invoiced amount will be charged to SUBCONTRACTOR for payments received after the timeframes listed in the table above, unless the delinquency is a direct result of delays in PCA CA’s invoicing process.

E. Notwithstanding the above, the invoicing schedule may be adjusted in the following circumstances:

1. **SUBCONTRACTOR**’s Failure to Enroll AmeriCorps Members.
   a. **SUBCONTRACTOR** will be assessed a Failure to Enroll Fee when **SUBCONTRACTOR** (or its Contractor) fails to enroll the contracted number of AmeriCorps members listed in Section II.D above.
   b. The Failure to Enroll Fee for each contracted AmeriCorps member not enrolled is:
      (1) $2,879 per each 1,700-hour AmeriCorps member.

2. **SUBCONTRACTOR**’s Failure to Retain AmeriCorps Members.
   a. In situations where one or more of **SUBCONTRACTOR**’s AmeriCorps members resigns, abandons, or is released from their contracted term of service before their contracted service end date, there will be no refund of Program Operating Costs; however, the Direct Member Cost portion of the cash match contribution will be prorated.
   b. **PCA CA** will adjust the next scheduled program year-quarterly invoice following the resignation, abandonment, or release of one or more of **SUBCONTRACTOR**’s AmeriCorps members. If all
invoices have already been paid by \textsc{subcontractor}, \textsc{pca ca} will make an adjustment at the end of the program year.

c. \textsc{subcontractor} should make every effort to refill a vacated AmeriCorps member position by enrolling a new AmeriCorps member.

d. If one or more of \textsc{subcontractor}'s AmeriCorps members has completed less than 30\% of their contracted hours, and has resigned, abandoned, or been released from their term of service, \textsc{subcontractor} may refill the member position. \textsc{subcontractor} will pay the Program Operating Cost and all applicable Direct Member Cost for the time that the new AmeriCorps member serves in the refilled member position. Adjustments will be made on the next scheduled program year-quarterly invoice.

3. Member position augmentations or refill member positions that involve full-time AmeriCorps members may require additional cash match and an amendment to this Contract.

\textbf{F. AmeriCorps Healthcare.}

1. This Contract is written to include the full cost of healthcare coverage for all of \textsc{subcontractor}'s full-time capacity AmeriCorps members (1,700-hour AmeriCorps members and 900-hour AmeriCorps members serving for a period of seven [7] months or less). However, \textsc{subcontractor} will be invoiced separately on a program year-quarterly basis for each of \textsc{subcontractor}'s eligible full-time capacity AmeriCorps members who are eligible for, and elect healthcare coverage through \textsc{pca ca}'s AmeriCorps healthcare plan, The Corps Network.

2. Any of \textsc{subcontractor}'s full-time capacity AmeriCorps members who do not have Affordable Care Act-compliant coverage at commencement of service must be enrolled in The Corps Network plan, per the requirements of the plan.

3. Should one or more of \textsc{subcontractor}'s initially ineligible AmeriCorps members later become eligible to enroll in The Corps Network plan, they will be added to the monthly billing.

4. If one or more of \textsc{subcontractor}'s AmeriCorps members who enrolled in healthcare coverage should extend their term of service, \textsc{subcontractor} agrees to pay an additional $254.00 per member, per month of coverage. Changes of this nature may require additional cash match and an amendment to this Contract.

\textbf{IV. Special Circumstances}

Any circumstances not outlined in this Exhibit are subject to negotiation between \textsc{pca ca} and \textsc{subcontractor}.

\textbf{V. Increase in Costs}

A. The maximum amount of this Contract may increase if:

1. \textsc{subcontractor} requests a member position augmentation that is approved by \textsc{pca ca};

2. \textsc{subcontractor} elects to refill one or more member positions vacated by \textsc{subcontractor}'s AmeriCorps member; or
3. One or more of SUBCONTRACTOR's AmeriCorps members become eligible for, and subsequently enroll in, healthcare.

B. Any increase in the maximum amount of this Contract may require additional cash match, and an amendment to this Contract.

VI. In-kind Match Contribution
A. SUBCONTRACTOR (or its Contractor) must provide in-kind support in the form of training, supervision, access to equipment and materials, adequate office space necessary to fulfill obligations under the Member Contract, etc., for each of SUBCONTRACTOR's AmeriCorps members. In-kind support also includes Service Site Supervisor time directly supervising the member, donated goods for member activities and member's project-related transportation and training expenses.

B. Documentation of in-kind contributions shall consist of:
1. Copies of functional timesheets, daily activity logs, or time studies; and
2. General Ledger and Payroll Journal reports supporting the amount of in-kind match being submitted.
EXHIBIT E
PROGRAM SCOPE OF SERVICES

I. Monitoring and Oversight
A. PCA CA will ensure that SUBCONTRACTOR collects and organizes performance data on an ongoing basis, tracks progress toward meeting the Performance Measures of the grant, incorporated in this Contract as Attachment E-1, Performance Measures, and corrects performance deficiencies promptly. PCA CA is also responsible for managing the day-to-day operations of grant and subgrant supported activities. PCA CA will monitor such activities to ensure compliance with applicable Federal requirements and ensure that performance measures are being achieved. In conjunction with requirements of the Corporation for National and Community Service (“CNCS”) and CaliforniaVolunteers (“CV”), PCA CA develops and provides program administration materials that govern its AmeriCorps programs, such as the Supervisor Program Manual and AmeriCorps Member Handbook. Materials are updated annually, and are distributed to contractors and Service Sites during PCA CA’s annual partner conference and/or throughout the year as needed. The materials are also made available to contractors online at: http://capamerica.corps weeby.com.

B. As a subgrantee, SUBCONTRACTOR must follow and adhere to the various regulations that govern the AmeriCorps program, as well as this Contract. If SUBCONTRACTOR places AmeriCorps members at Service Sites, SUBCONTRACTOR is responsible for ensuring that Service Sites follow these regulations. Except in instances where the SUBCONTRACTOR is the Service Site, SUBCONTRACTOR must establish and maintain strong partnerships with Service Sites by clearly defining the roles and responsibilities of the Service Site. SUBCONTRACTOR must also provide Service Sites with training regarding the AmeriCorps program including, but not limited to: terminology, requirements, allowable activities, prohibited activities, and progressive discipline. SUBCONTRACTOR will provide Service Sites with national service identification and signage for display.

C. SUBCONTRACTOR (or its Contractor) must disseminate programmatic information to Service Sites when requested to do so by PCA CA.

D. PCA CA reserves the right to communicate directly with Service Sites and AmeriCorps members in situations that, in PCA CA’s sole discretion, require the immediate sharing of critical programmatic information, regulatory changes, known or suspected compliance issues, or opportunities for program improvement.

E. PCA CA will conduct a minimum of one (1) compliance site visit during the term of this Contract. Details of a site visit can be found in the Supervisor Program Manual, incorporated into this Contract by reference as Exhibit G.
II. Recruitment and Eligibility of AmeriCorps Members

A. **SUBCONTRACTOR** (or its Contractor) is required to recruit the number of contracted AmeriCorps members listed in items 7 and 8, as applicable, of the AmeriCorps Contract for enrollment in the program, and retain them for the duration of their contracted service commitment.

B. **SUBCONTRACTOR** (or its Contractor) shall create a “service listing” in eGrants, CNCS’ online recruiting system.

C. **SUBCONTRACTOR** (or its Contractor) agrees to actively seek potential AmeriCorps members from the community in which the program will be conducted. Further, **SUBCONTRACTOR** (or its Contractor) agrees to actively seek to include AmeriCorps members of different:
   1. Races and ethnicities;
   2. Socioeconomic backgrounds;
   3. Educational levels; and

D. Pursuant to 45 CFR XXV §2522.200, and requirements of CV and PCA CA, **SUBCONTRACTOR** must determine whether applicants for AmeriCorps positions are eligible to serve in the PCA CA AmeriCorps program. Details and documentation requirements can be found in the Supervisor Program Manual, Section 3, Recruitment and Beginning Service, incorporated into this contract by reference as Exhibit G.

E. **SUBCONTRACTOR** (or its Contractor) must provide reasonable accommodation, including auxiliary aids and services (as defined in section 3(1) of the American Disabilities Act of 1990 (42 U.S.C. 12102(1)) based on the individualized need of an AmeriCorps member who is a qualified individual with a disability (as defined in section 101(8) of such Act (42 U.S.C. 12111(8))).

F. **SUBCONTRACTOR** (or its Contractor) shall inquire and notify PCA CA if an AmeriCorps applicant is concurrently enrolled in another AmeriCorps program.

G. **SUBCONTRACTOR** (or its Contractor) shall inquire and notify PCA CA if an AmeriCorps applicant has previously served in another AmeriCorps program.

H. Notification of AmeriCorps Applicant Selection:

1. **SUBCONTRACTOR** (or its Contractor) shall notify PCA CA regarding selection of AmeriCorps applicants by obtaining and submitting the following eligibility verification documents for review and approval to PCA CA by fax or email:
   a. A copy of the document used to verify whether each of **SUBCONTRACTOR**’s AmeriCorps applicants are a U.S. citizen, national, or lawful permanent resident;
   b. A copy of a government-issued photo ID for each AmeriCorps applicant to be used by PCA CA to conduct a National Service Criminal History Check;
   c. A completed Enrollment Notification Form for each AmeriCorps applicant, obtainable at www.capamericorps.weebly.com, bearing the AmeriCorps applicant’s authorization to conduct a National Service Criminal History Check; and
   d. A copy of the AmeriCorps applicant’s completed AmeriCorps Application and two (2) references, submitted either online or via hard copy.

2. **SUBCONTRACTOR** (or its Contractor) shall not offer an AmeriCorps position to any AmeriCorps applicant until such time that PCA CA has received the items in Section II.H.1. above, and reviewed and approved
all requirements of the applicant's eligibility to serve in the AmeriCorps program

I. **PCA CA** shall verify the eligibility of each of **SUBCONTRACTOR**'s AmeriCorps applicants, and shall conduct a National Service Criminal History Check on each of **SUBCONTRACTOR**'s AmeriCorps applicants, for each term of service.

J. **PCA CA** shall notify **SUBCONTRACTOR** as to whether or not each of **SUBCONTRACTOR**'s AmeriCorps applicants have met the criteria to enroll in the **PCA CA** AmeriCorps program.

K. **SUBCONTRACTOR** (or its Contractor) should make every effort to recruit AmeriCorps applicants to replace/refill any position previously occupied by an AmeriCorps member during the term of this Contract, who:
   1. Resigned or was released from service prior to their anticipated exit date from the program, and who
   2. Completed less than 30% of their contracted service hours, provided that the individual is not eligible for, and does not receive, a prorated Segal AmeriCorps Education Award.

L. Notwithstanding the above, as a fail-safe mechanism, CNCS will suspend refilling member positions if either:
   1. Total AmeriCorps enrollment, nationwide, reaches 97% of awarded member positions; or
   2. The number of refill member positions, nationwide, reaches 5% of awarded member positions.

III. **National Service Criminal History Checks (45 C.F.R. Chapter XXV §2540.204)**

A. All **PCA CA** AmeriCorps applicants, including those AmeriCorps applicants who have recently completed a term of service, must submit to a National Service Criminal History Check prior to being offered an AmeriCorps position. Details can be found in the Supervisor Program Manual, Section 3. Recruitment and Beginning Service, incorporated into this Contract by reference as Exhibit G.

B. An applicant who refuses to undergo the National Service Criminal History Check is deemed unsuitable for the AmeriCorps program.

C. An applicant convicted of murder, as defined in Section 1111 of Title 18, United States Code, is deemed unsuitable for the AmeriCorps program.

D. An AmeriCorps member convicted during their term of service of murder, as defined in Section 1111 of Title 18, United States Code, will be released for cause.

E. An applicant who is registered, or required to be registered on a state sex offender registry is deemed unsuitable for the AmeriCorps program.

F. An applicant who makes a false statement in connection with **PCA CA**'s inquiry concerning the applicant's criminal history is deemed unsuitable for the AmeriCorps program.

G. An applicant's disclosure of criminal history, whether substantiated by statewide criminal history repository or FBI information or not, may preclude the individual from being offered an AmeriCorps position.

H. Out-of-State AmeriCorps Applicants:
   1. **SUBCONTRACTOR** must notify **PCA CA** immediately if **SUBCONTRACTOR** (or its Contractor) has selected an out-of-state AmeriCorps applicant.
   2. Upon receipt of notification from **SUBCONTRACTOR**, **PCA CA** will initiate the National Service Criminal History Check with the State Repository of the AmeriCorps applicant's state of residency.
I. Monitoring and Notification:
   1. **PCA CA** shall monitor the California Department of Justice secure mail server system each business day, until clearance information for **SUBCONTRACTOR**'s AmeriCorps applicants who reside in California at the time of application has been received.
   2. **PCA CA** shall track requests for criminal history information from CNCS-designated Statewide Criminal History Repositories or alternatives until definitive clearance information has been obtained for out-of-state AmeriCorps applicants.
   3. **PCA CA** will notify **SUBCONTRACTOR**, or its designee, whether AmeriCorps applicants have or have not met the criteria to proceed with enrollment in the program within two (2) business days of **PCA CA**'s knowledge that results have been received via the California Department of Justice secure website, the National Sex Offender Public Website, and the State Repository of the AmeriCorps applicant's state of residency (if other than the state of California).

J. Fees:
   1. **PCA CA** shall pay for the cost of the National Service Criminal History Check, excluding rolling fees, which shall be paid by **SUBCONTRACTOR**.
   2. **SUBCONTRACTOR** shall pay for, or reimburse each of its AmeriCorps applicants for any rolling fees incurred in relation to the National Service Criminal History Check.

K. Subsequent Arrest Notification:
   1. **PCA CA** contracts with CA DOJ to receive Subsequent Arrest Notification for AmeriCorps members who are actively serving in its AmeriCorps programs. In the event that **PCA CA** receives such a notification regarding one of **SUBCONTRACTOR**'s AmeriCorps members, **PCA CA** will notify **SUBCONTRACTOR** (and its contractor, if applicable) within two (2) business days of its knowledge that results have been received via the CA DOJ secure website.
   2. Upon notification of an arrest, charge or detainment, **SUBCONTRACTOR** (or its Contractor) must suspend the AmeriCorps member pending the outcome of any investigation conducted by **PCA CA**.
   3. Upon conviction of a crime, either **PCA CA** or **SUBCONTRACTOR** may elect to terminate the AmeriCorps member; however, no AmeriCorps member's service will be terminated without approval from **PCA CA**.

IV. Enrollment of AmeriCorps Members
   A. **SUBCONTRACTOR** (or its Contractor) shall enroll the number of AmeriCorps members listed in Items 7 and 8, as applicable, of the AmeriCorps Contract by the dates listed in Items 9 and 10, as applicable, of the AmeriCorps Contract.
   B. **PCA CA** will facilitate the invitation process of **SUBCONTRACTOR**'s AmeriCorps members within the web-based My AmeriCorps system.
   C. **SUBCONTRACTOR** (or its Contractor) shall ensure that each AmeriCorps member completes their portion of the online enrollment process during AmeriCorps enrollment, AmeriCorps orientation, or within 5 calendar days of commencement of service.
   D. Member Contracts:
   1. **PCA CA** will provide **SUBCONTRACTOR** with a Member Contract for each selected AmeriCorps applicant. **SUBCONTRACTOR** must then
ensure that the Member Contract is signed by each of
SUBCONTRACTOR’s AmeriCorps applicants before commencement of
service so that applicants are fully aware of their rights and
responsibilities.

2. PCA CA will not generate a Member Contract until all requirements of the
AmeriCorps applicant’s eligibility to serve in the program have been
reviewed and approved by PCA CA.

E. Unless enrollment is conducted by PCA CA staff, SUBCONTRACTOR (or its
Contractor) will submit a copy of the entire Member File to PCA CA by fax or
email on or before the commencement of each of SUBCONTRACTOR’s
AmeriCorps members’ term of service.

F. PCA CA will provide SUBCONTRACTOR with Member Handbooks. Upon
commencement of service, SUBCONTRACTOR (or its Contractor) must provide
each AmeriCorps member with the 2016/17 Program Year AmeriCorps Member
Handbook.

G. PCA CA shall complete the AmeriCorps member enrollment in My AmeriCorps
within thirty (30) calendar days of the commencement of each AmeriCorps
member’s term of service.

V. AmeriCorps Member Orientation

A. PCA CA will conduct an AmeriCorps orientation within the first thirty (30)
calendar days of commencement of each of SUBCONTRACTOR’s AmeriCorps
members’ term of service. SUBCONTRACTOR will ensure that each of its
AmeriCorps members attend the orientation. PCA CA will maintain
documentation regarding AmeriCorps member orientation attendance.

B. SUBCONTRACTOR shall conduct an orientation for its AmeriCorps members
within ten (10) business days of the commencement of each of
SUBCONTRACTOR’s AmeriCorps members’ term of service.

SUBCONTRACTOR must utilize a sign-in sheet and orientation checklist to
document AmeriCorps member attendance, and must submit the sign-in sheet
and orientation checklist to PCA CA within five (5) business days of the
orientation. At a minimum, SUBCONTRACTOR’s orientation must include the
topics listed in the Supervisor Program Manual, Section 3, Recruitment and
Beginning Service, incorporated into this Contract by reference as Exhibit G.

C. Except in instances where SUBCONTRACTOR is also the Service Site,
SUBCONTRACTOR shall ensure that its Service Sites conduct an orientation
within thirty (30) business days of the commencement of each of
CONTRACTOR’s AmeriCorps members’ term of service. The Service Site must
utilize a sign-in sheet and orientation checklist to document AmeriCorps member
attendance, and must submit the sign-in sheet and orientation checklist to
SUBCONTRACTOR, who in turn must submit the sign-in sheet and orientation
checklist to PCA CA within five (5) business days of the orientation. At a
minimum, the Service Site orientation must include the topics listed in the
Supervisor Program Manual, Section 3, Recruitment and Beginning Service,
incorporated into this Contract by reference as Exhibit G.

D. If SUBCONTRACTOR is the Service Site, the topics listed for Lead Agencies
and Service Sites must be included in SUBCONTRACTOR’s AmeriCorps
orientation.
VI. Member Files
A. The Member File will be the repository of all AmeriCorps member documentation, created during the term of service.
B. PCA CA will create Member Files, which will be completed by each of SUBCONTRACTOR’s AmeriCorps members on or before the commencement of their term of service.
C. Unless the Member File is completed during the PCA CA AmeriCorps orientation, SUBCONTRACTOR (or its Contractor) will send, or cause to be sent, the original Member File to PCA CA within ten (10) calendar days of each AmeriCorps member’s commencement of service. SUBCONTRACTOR will maintain a copy of the Member File including copies of all documentation subsequent to each AmeriCorps member’s enrollment, and will continue to send, or cause to be sent, all original subsequent documentation to PCA CA.

VII. Change of Term
A. Circumstances may arise that necessitate changing the term of one of SUBCONTRACTOR’s enrolled AmeriCorps members:
  1. 900-hour to 1,700-hour. Changing less than full-time members to full-time is discouraged because it is very difficult to manage, unless done very early in an AmeriCorps member’s term of service; however, such changes may be approved if:
     a. SUBCONTRACTOR has sufficient allowable match funding to cover the difference in cost; and
     b. The overall program budget, as prepared and submitted by PCA CA, and approved by CV and/or CNCS, can accommodate the change.
B. A change of term may impact an AmeriCorps member’s eligibility for health care and child care benefits.

VIII. iEmployee and Timekeeping Policies
A. PCA CA utilizes iEmployee, an online timekeeping system, to facilitate AmeriCorps member timesheets. PCA CA will grant iEmployee access to each of SUBCONTRACTOR’s enrolled AmeriCorps members, as well as SUBCONTRACTOR’s (or its Contractor’s) designated staff who are responsible for supervision or coordination of SUBCONTRACTOR’s AmeriCorps members.
B. SUBCONTRACTOR (or its Contractor) must monitor and ensure that each of SUBCONTRACTOR’s AmeriCorps members:
  1. Is serving the average weekly number of hours stated in each of SUBCONTRACTOR’s AmeriCorps members’ Member Contract;
  2. Has sufficient opportunity to complete the required number of hours to qualify for a post-service Segal AmeriCorps Education Award;
  3. Is following the practice of “after the fact” timekeeping; and
  4. Has not recorded any hours “served from home.” In order to claim AmeriCorps hours, AmeriCorps members must be engaged in approved CAP Center AmeriCorps program-related activities or responsibilities in a supervised setting. Any unauthorized hours or hours served from home will be disallowed.
C. SUBCONTRACTOR (or its Contractor) shall ensure that SUBCONTRACTOR’s AmeriCorps members are provided with a 15-minute break from service activities when the service period is four (4) hours or more.
D. SUBCONTRACTOR (or its Contractor) shall provide SUBCONTRACTOR’s AmeriCorps members with a meal period of between thirty (30) and sixty (60) minutes, when SUBCONTRACTOR’s AmeriCorps members serve over five (5) hours, during which time SUBCONTRACTOR’s AmeriCorps members must be relieved of their service duties.

E. Notwithstanding the above, if a period of no more than six (6) hours will complete SUBCONTRACTOR’s AmeriCorps member’s day, and the meal period has been waived by both SUBCONTRACTOR’s AmeriCorps member and the Service Site Supervisor at the beginning of SUBCONTRACTOR’s AmeriCorps member’s shift, then SUBCONTRACTOR’s AmeriCorps member does not need to take a meal period.

F. SUBCONTRACTOR (or its Contractor) must review and approve SUBCONTRACTOR’s AmeriCorps members’ timesheets in Employee by the dates listed in the Living Allowance Schedule, incorporated into this Contract as Attachment E-2. Failure to adhere to these deadlines may result in late living allowance payments to SUBCONTRACTOR’s AmeriCorps members.

G. AmeriCorps members do not receive:
   1. Vacation pay;
   2. Overtime pay;
   3. Sick pay; or
   4. Any other paid time off.

IX. AmeriCorps Member Benefits

SUBCONTRACTOR’s AmeriCorps members may be eligible for one or more of the benefits listed below. PCA CA will either directly administer the benefit, or provide information to the applicable benefit administrator on behalf of each of SUBCONTRACTOR’s AmeriCorps members. SUBCONTRACTOR’s AmeriCorps members may not receive one or more of the benefits below during a period of suspension or a leave of absence.

A. Post-service Segal AmeriCorps Education Award:
   1. PCA CA shall verify whether each of SUBCONTRACTOR’s AmeriCorps members have successfully completed their term of service, including whether or not they served the required number of hours as listed in their Member Contract to earn a Segal AmeriCorps Education Award.
   2. PCA CA shall record in the CNCS online database, eGrants, whether each of SUBCONTRACTOR’s AmeriCorps members:
      a. Earned a full Segal AmeriCorps Education Award;
      b. Earned a partial Segal AmeriCorps Education Award; or
      c. Earned no portion of a Segal AmeriCorps Education Award.
   3. Segal AmeriCorps Education Awards are released by the National Service Trust.
   4. The maximum amount of the Segal AmeriCorps Education Award that may be earned in the 2016/17 program year is:

<table>
<thead>
<tr>
<th>Award</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>1,700-hour Segal AmeriCorps Education Award</td>
<td>$5,775.00</td>
</tr>
<tr>
<td>900-hour Segal AmeriCorps Education Award</td>
<td>$2,887.50</td>
</tr>
</tbody>
</table>

   5. Notwithstanding the above, SUBCONTRACTOR’s AmeriCorps members may receive less than the maximum amount of the Segal AmeriCorps Education Award, based on their actual exit date and associated circumstances, and value of previously earned awards, if any.
B. Living Allowance:
   1. **PCA CA** will pay a living allowance to each of **SUBCONTRACTOR**'s
      AmeriCorps members, as determined by **SUBCONTRACTOR** within the
      tier structure established by **PCA CA**.
   2. The living allowance:
      a. Is not a wage;
      b. Is not paid on an hourly basis;
      c. Does not fluctuate based on the number of hours served;
      d. Is issued in equal, incremental payments; and
      e. Will cease as each of **SUBCONTRACTOR**'s AmeriCorps
         members completes, or is released from, their term of
         service.
   3. Living allowance payments will be issued to each of
      **SUBCONTRACTOR**'s AmeriCorps members upon receipt of an
      electronically submitted timesheet, certified by the AmeriCorps member
      and approved by the AmeriCorps member's Service Site Supervisor via
      the iEmployee timekeeping system.
   4. Living allowance payments will be made according to the dates listed on
      Attachment E-2, Living Allowance Schedule.
   5. Minimum Hours for Living Allowance. To receive the full incremental
      payment for a given time period, each of **SUBCONTRACTOR**'s
      AmeriCorps members must serve the following number of hours:
      a. 1,700-hour AmeriCorps members must serve at least sixteen (16)
         hours in the period; and
      b. 900-hour AmeriCorps members must serve at least eight (8) hours
         in the period.
   6. Zero Hours Policy. If one or more of **SUBCONTRACTOR**'s AmeriCorps
      members does not serve any hours in a given pay period, those members
      will not receive the living allowance for that period.
   7. Living allowance incremental payments may be reduced in the following
      circumstances:
<table>
<thead>
<tr>
<th>Action</th>
<th>Pay Period</th>
<th>Cut-off Date</th>
<th>Enrollment BEFORE Cut-off Date</th>
<th>Enrollment ON or AFTER Cut-off Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>Enrollment</td>
<td>1st — 15th</td>
<td>8th day of month</td>
<td>Full incremental payment</td>
<td>Prorated incremental payment</td>
</tr>
<tr>
<td></td>
<td>16th — end of month</td>
<td>22nd day of month</td>
<td>Full incremental payment</td>
<td>Prorated incremental payment</td>
</tr>
<tr>
<td>Action</td>
<td>Pay Period</td>
<td>Cut-off Date</td>
<td>Exit ON or BEFORE Cut-off Date</td>
<td>Exit AFTER Cut-off Date</td>
</tr>
<tr>
<td></td>
<td>1st — 15th</td>
<td>6th day of month</td>
<td>Prorated incremental payment</td>
<td>Full incremental payment</td>
</tr>
<tr>
<td></td>
<td>16th — end of month</td>
<td>22nd day of month</td>
<td>Prorated incremental payment</td>
<td>Full incremental payment</td>
</tr>
</tbody>
</table>

8. The formula used to calculate the prorated living allowance amounts in the circumstances above is as follows:

\[
\text{Incremental payment} \times \text{number of days of service performed} / \text{Number of days in the pay period}
\]

9. **PCA CA** will provide payroll services for **SUBCONTRACTOR**'s AmeriCorps members. Payroll services include:
   a. Issuance of living allowance incremental payments;
   b. Withholding and reporting of associated taxes;
   c. Processing of IRS Form W-2; and
   d. Processing of Workers' Compensation claims for **SUBCONTRACTOR**'s AmeriCorps members who sustain service-related injuries during the term of this Contract.

C. **Child Care**

The following information represents the Performance Measures that were submitted and approved by California Volunteers and CNCS as part of the 2015/16 First 5 Service Corps proposal. As such, they reflect the statewide aggregate outputs and outcomes for the program. SUBCONTRACTOR is responsible for meeting its specific outputs and outcomes, a subset of the aggregate values. Research indicates a child's early development of social emotional, literacy, and numeracy skills are critical for school success. Economically disadvantaged children and/or children with exceptional needs, such as English language learners are most at-risk for academic failure as they lack access to quality early childhood education programs with linguistically appropriate instruction. Many low-income or non-English speaking parents lack the knowledge/resources needed to play a critical role in their child's school success.

Members provide parents of economically disadvantaged children 5 hours of workshops teaching the importance of and techniques for book sharing with children at home to develop family literacy routines. Members provide culturally and linguistically appropriate books and a DVD so parents read to their child for 20 minutes 3 times per week for 8 weeks, applying what they have learned.

OUTPUT - Student Daily Contact Log to collect data on number of children who start and complete participation in an AmeriCorps Early Childhood Education Program, the number of hours that children receive skill-building services in social emotional, literacy, and/or numeracy. Members submit data in the online database monthly, Project Manager monitors quarterly. Completed by AmeriCorps members daily.

OUTCOME - Teaching Strategies GOLD Assessment to collect data on the number of children that demonstrate social emotional, literacy, and/or numeracy skills. Members submit data in the online database monthly, Project manager monitors quarterly. Completed by AmeriCorps members within the first 5 hours of service delivery, at 35 hours of service delivery, and at the end of the program year (year-long programs).
OUTCOME - Raising a Reader Parent Survey to collect data on the number of parents that demonstrate improvement in family literacy behaviors including sharing books with their children more frequently, visiting the library, establishing a family routine for reading books to their child 60 minutes/week for 8 weeks. Members submit data in the online database monthly. Project manager monitors quarterly. Completed by AmeriCorps members at the onset of service delivery, and at the end of the service delivery.

| Background Information                                                 | First 5 California released $190 Million to be distributed over a 5 year span to increase quality improvement within early learning programs. The First 5 IMPACT is an innovative approach that partners First 5 California (F5CA) with counties to increase access to high-quality early learning programs and services for children and families, and helps ensure children enter school with the skills, knowledge, and dispositions necessary to be successful. To ensure equitable allocation of funds participating counties were divided into 9 regions and “Hubs” were created. The IMPACT Region 9 Hub consists of San Bernardino, Riverside, Orange, and Imperial counties. The Hubs will play two essential roles to support consortia and regions:  
1. Basic coordination, project management, systems building activities (e.g., cross-region facilitation, needs assessment/asset mapping, coordination of Talk. Read. Sing.® including the Trusted Messengers campaign, where applicable)  
2. Specialized, cross-region support on at least one element of the California-Quality Rating and Improvement System (CA-QRIS) or system function (Regional Anchor; Regional Trainer; coaches; regional strategies for family engagement and strengthening, and adult-child interactions)  
This funding can help create a regional structure to:  
• Increase regional efficiency by coordinating regional efforts  
• Build on existing strengths  
• Leverage local and state resources  
• Build cross-consortia networks of support and learning communities for resource-sharing and problem solving  
• Help consortia integrate county, state, and national research and promising practices  
The Hub allocation of $18 Million is based on four factors representing the two major goals of Hubs:  
**Goal 1: Basic Coordination and Systems Building** ($9 Million). This uses three different factors, each weighted equally: |
1. **Counties in Hub Region** ($3 Million). The proportion of counties in the Hub region compared to statewide. Because Hub funds are designed to coordinate activities across consortia in the region, the relative expense of cross-consortia coordination likely will be greater with more counties in the Hub. This factor also takes into consideration travel in larger regions.

2. **Licensed Sites** ($3 Million). The proportion of licensed sites in the Hub region compared to statewide. Because Hub funds are designed to coordinate systems of care (Head Start, State Preschool, Private Centers, Family Child Care, etc.), the relative expense of cross-consortia coordination will likely be greater with more licensed sites in those systems of care.

3. **Children in Poverty** ($3 Million). The proportion of children in poverty in the Hub region compared to statewide. Because Hub funds are designed to coordinate systems that support all children, particularly those with the greatest need, the relative expense of cross-consortia coordination will likely be greater with more children in poverty served by those systems.

**Goal 2: Specialized Support** ($9 Million). This factor uses one factor to allocate the remaining funds:

**Participating IMPACT sites** ($9 Million). The proportion of IMPACT sites in the Hub region compared to statewide. This funding is related directly to support for target IMPACT sites and to create regional efficiencies in assessor management; coaching; regional strategies for family engagement and strengthening and adult-child interactions; and other QRIS-related activities. (Includes $150,000 for region 6 augmentation to reach operational level.)

Orange County Office of Education serves as the IMPACT Region 9 lead. The major role of the Region 9 Hub is coordination, project management, and systems building activities for consortia participating in the Hub. The Region 9 Hub funds will be used to assist all participating counties within Region 9 in developing and refining cost-effective, efficient, and impactful QRIS systems that address local needs and priorities, while developing shared efficiencies. Region 9’s vision is that all children 0-5 in participating counties thrive in high quality early learning programs. First year goals of Region 9 include:

1) Reduce costs associated with assessments and rating by streamlining processes.

2) Pool county assets and unify branding to develop a shared QRIS outreach campaign.

3) Build county capacity in coaching, training, and digital resource development.

4) Increase efficacy of outreach to centers, family child care, family friend and neighbor, non-traditional, and Head Start providers.

IMPACT Region 9 Hub proposes an Agreement between counties and agencies to distribute funds among participating counties. Approval of this Agreement will allow First 5 San Bernardino (F5SB) to receive its allocation of Hub funds on annual basis.
to support its QRIS implementation and design. Acceptance of these funds will result in an increase in revenue. As a result, an amendment to the F5SB Operating Budget for Fiscal Year 2016-2017 will be presented to the Commission at the January 2017 Commission meeting.

Participation in the IMPACT Region 9 Hub Agreement is in alignment with F5SB’s Strategic Plan: SPA 2: Systems and Networks. F5SB is providing leadership in the development of this QRIS – a system that supports children prenatal through age 5 and results in sustainable and collective impact.
