Report - Executive Director

Welcome Back, Supervisor Ramos
It is wonderful to welcome Supervisor Ramos back to the First 5 San Bernardino Commission. Your leadership will be very much valued.

Adieu to Commissioner Stacy Iverson
It is with great sadness that we bid adieu to our Stacy Iverson. I credit most of what I know about First 5 to Stacy. She was a great teacher and mentor to me when I joined the organization before she moved on to other things. Stacy gave back to the Commission, continuing to provide leadership in roles as Commission Chair and Advisory Committee Vice-Chair. Thank you, Stacy. As this is her last meeting with us, we will give her a proper "de-commission" to close out today’s meeting.

The process to fill the Commission seat vacancy will begin next week.

April is Child Abuse Prevention Month
Declared by presidential proclamation in 1983.

During this month and throughout the year, First 5 San Bernardino is dedicated to supporting families to reduce the risk of child abuse and neglect. There are many activities supporting the organized efforts of child abuse prevention in the County such as:

• CASA “Heart of a Hero” run on April 29 at Glen Helen Regional Park.
• Children’s Fund, 5th Annual “Children Are Our Future” event on Tuesday, April 11 at San Manuel Stadium.

The consequences of abuse and neglect can be profound and can last long into the life cycle. San Bernardino County stands strong in ensuring our children are safe, healthy, nurtured and eager to learn and succeed in school and in life. The First 5 Commission set a shining example of what can be accomplished by investing in young children and their families. One in 3 children in our County is a “First 5 Kid”, touched in some way by our initiatives, our services, our contract providers and systems of support.

Baby Box
So have you heard about the Baby Box and its Parenting Education Program? The Baby Box Co launched the free giveaway of Baby Boxes throughout the state of California in September 2017. Baby Boxes serve as a safe sleep space for infants up to 6 months of age. The Baby Boxes typically include the safe-sleep certified Baby Box itself, mattress, mattress protector, and fitted sheet. The resources to support new parents includes wipes, diapers, baby shampoo and body wash, nursing pads, nursing cream, onesies, waterproof diaper tote bag, and Vroom brain-building tip cards from
The Bezos Family Foundation. This Baby Box tradition came out of Finland and is being offered world-wide as a strategy to reduce infant mortality from sleep deaths.

Many of the State’s First 5s are showing interest and a Baby Box Webinar is scheduled for April 12th at 3 p.m.

**Key event – Footsteps2Brilliance**

First 5 San Bernardino is proud to partner with the San Bernardino County Superintendent of Schools, San Bernardino County Preschool Services and Children’s Fund to host the launch of Footsteps2Brilliance on Wednesday, April 19 at the San Bernardino County Government Center.

**Government Relations Analyst – Chekesha Gilliam**

Thank you to Chekesha Gilliam for her Legislative Report to the Commission today. I would like to recognize the CAO’s office and Ms. Gilliam’s willingness to provide this level of collaborative service to our community, through this meeting, on a regular basis.

**Legislative Update**

Every year, the First 5 Association’s Advocacy Committee, of which I am a member, votes to take positions on legislation. Taking a collective position helps guide the Association’s advocacy work for the current legislative session and decisions to take a supportive or opposition stance on bills.

The Association tracks bills in six categories of our Policy Agenda:

1) Family Strengthening  
2) Early Identification & Intervention  
3) Oral Health  
4) Quality Early Learning  
5) Systems Sustainability & Reach  
6) Tobacco Cessation

Because marijuana is now legal (through the passage of Proposition 64), and because the Association and Advocacy Committee would like to be able to take positions on relative bills, the Association recommends expanding Policy Agenda, Item 6 from “Tobacco Cessation” to “Tobacco & Marijuana Regulation”.

Many of our commissions have been the leaders on educating the public on the public health impact of marijuana, especially during pregnancy. Furthermore, many legislators are interested in safely keeping marijuana products away from children and are introducing legislation to further regulate adult use marijuana. Vote on this recommendation to expand the Policy Agenda item will take place at the next Advocacy Committee meeting.

The Association Advocacy Committee took votes on several bills last month and provided letters of support. The Association shares a monthly “Bill Tracker” document which I share with you Commissioners and our valuable County partners. Having the First 5 Association support a bill is a “big” collective voice for children prenatal through age 5 and their families. The current bill tracker includes 18 “support” bills. The ones that most affect us here locally in the Inland Region and with our collective impact, systems building partners are:

AB 60 – Subsidized Child Care and Development Services: allowing a minimum 12 Month Eligibility Period and updating eligibility rules to the most recent State median income.
AB273 – Child Care Services Eligibility – enabling families to receive child care subsidy if they meet a new or expanded need requirement.

AB 15 – Denti-Cal Reimbursement Rates – would require the DHCS to increase provider reimbursement rates for the 15 most common prevention, treatment, and oral evaluation services to the regional average commercial rates.

AB 753 – Denti-Cal Improved Access – would appropriate $191 million to Denti-Cal services from Prop 56 funding to increase reimbursement s rates for the 20 most common pediatric diagnostic, and restorative services.

The passage of Proposition 56, by statewide voters in November, marked the first time in more than 20 years that California approved significant tobacco control legislation. Also, for the first time, California tobacco laws changed the definition of "other tobacco products" in state law to include electronic cigarettes and now taxation is applied to e-cigarettes, which by the way have become increasingly popular, especially among teens and young adults. Rounding out the approved tobacco legislation from last year was the State lawmakers raising the age from 18 to 21 to purchase tobacco products.

Prop 56 added an additional $2.00 tax, bringing the total tobacco tax up to $2.87 per pack of cigarettes. Now at $2.87, California has the ninth highest cigarette tax in the country. That’s well below New York’s $4.35 tax but significantly above states such as Missouri, which charges 17 cents a pack.

Raising the price of tobacco is “the single most effective way to reduce tobacco use,” according to a June 2016 report by the federal Centers for Disease Control and Prevention. It said higher costs have been shown to deter people from starting to smoke, encourage more smokers to quit and “reduce the prevalence and intensity” of tobacco use by adolescents and adults.

Although it seems contrary to our existence - the very action that generates our revenue, First 5’s have always strived to ensure focus on cessation of tobacco use as a primary strategy to improve the health and lives of young children and their families.

Based on these tobacco bills, the estimated local annual impact on the First 5 San Bernardino Commission revenue is as follows:

Impact of raising the smoking age to 21  - $1,200,347
Backfill w/in Prop 56 from revenue generated on e-cigarettes  + $1,469,213

A cap imposed on the BOE for their Annual Licensing Fee Program  + $225,279
Yielding a net impact amount of  .................................................. $494,145

There is currently a ballot measure discussion for services for children 0-to-5 going on throughout the State with an organization called Funding the Next Generation. They are hosting a meeting in Alameda, along with the First 5 Association on April 20th. They plan to discuss strategies specific to campaigns and measures for young children, an overview of successful measures around the country addressing needs of young children, public opinion and political strategies, and options and choices in developing such measures.
**Dental Transformation Initiative**

Recap – from the Inland Empire Region; F5SB and First 5 Riverside were one of the 15 awardees granted approval for funding under the competitive Dental Transformation Initiative – Local Dental Pilot Project grant. $740 million ($148 million annually) for 5 years was available to support oral health initiatives.

The total requested in our First 5 application was $13.7 million ($13,755,907) with approximately $10.9 million of that earmarked for partner and supporting entities to implement our two innovative strategies:

- A Virtual Dental Home System in community settings linking to FQHCs; and
- Testing and utilizing an Early Childhood Oral Health Assessment (ECOHA) designed for non-dental providers, administered through strategically located workforce and connects children to care coordination and dental homes.
- The goal in both strategies includes tracking all the way to actually receiving services.

An update will be presented to the Commissioners next month.

**Help Me Grow**

After 5 years of planning and strategizing, Help Me Grow is finally going to happen in our region, with First 5 SB and First 5 Riverside collaborating once again, and this time in partnership with Loma Linda University Children’s Hospital. We gained valuable insight from the consultants our Commission’s hired to complete a feasibility study for us as well as incredible support and mentorship from the Children and Families Commission of Orange County and their partnership with CHOC – Children’s Hospital of Orange County. We anticipate coming back to the Commission in the next few months for approval, most likely for a short term planning grant.

**Save the Date**

Wednesday, May 3, 2017, beginning with a Budget Workshop from 2:00 to 3:15 p.m. Regular Commission Meeting will follow at 3:30 p.m.

**Quarterly Report**

Given to Commissioners.

For instance, El Sol is serving rural communities in Barstow, Trona, Baker and other outlying smaller areas. Needles has a center-based program. There may also be opportunities to work with the tribal community, as well. All communities are covered, from Trona to the west side to the mountain communities.

AGENDA ITEM 2
MAY 3, 2017

Subject
Employment Contract – Gilbert Cervantes, Office Assistant II

Recommendations
a. Approve employment contract between the County of San Bernardino, Children and Families Commission, and Gilbert Cervantes, Office Assistant II, for an annual cost of $41,340 ($27,560 Salary, $13,780 Benefits) for the period of May 27, 2017 through May 26, 2020.
b. Authorize the Assistant Executive Officer of Human Services to execute amendments to extend the term of the contract for a maximum of three successive one-year periods on behalf of the County, subject to County Counsel review.
c. Direct the Assistant Executive Officer of Human Services to transmit all documents in relation to contract amendments to the Clerk of the Board of Supervisors within 30 days of execution.

(Presenter: Karen E. Scott, Executive Director, 252-4252)

Financial Impact
Approval of this item does not impact Discretionary General Funding (Net County Cost). The total annual cost of $41,340 is fully reimbursed by the Children and Families Commission’s (Commission) Trust Fund. Adequate appropriation and revenue have been included in the Commission’s 2016-17 budget and will be included in future recommended budgets.

Background Information
The Commission has a vacancy for one Office Assistant II position. The Office Assistant II performs clerical duties and receives, processes, and directs incoming telephone and mail communications. The recommended employment contract will be effective May 27, 2017 and shall remain in effect through May 26, 2020, subject to the termination provisions of the contract.

The Commission uses California’s tax on cigarettes and tobacco products to provide services for the State’s youngest residents and their families. The Commission collaborates with the community and child-serving agencies to fulfill their mission of promoting, supporting, and enhancing the health and early development of children prenatal through age five and their families.

On January 23, 2001 (Item No. 59), the Board of Supervisors (Board) approved Contract No. 01-50 with the Commission to maintain a cooperative working relationship to effectively and efficiently implement the Commission’s mission. The terms and conditions of the agreement require Human Services to provide the Commission with support for the administration of staff benefits, review and act on Board agenda items and personnel-related issues, and provide employment contract administration services. The agreement has been amended several times to revise language regarding services or to add services provided by the County. The Commission fully reimburses the County for the cost of these services.

PROCUREMENT
At the request of the Commission, Human Resources provided a certification list of 71 eligible candidates for the Office Assistant II position. Seven qualified candidates were interviewed between March 17, 2017 and March 27, 2017 by the Supervising Office Assistant and the Administrative Supervisor.
Based on his experience and pending Commission approval, First 5 staff recommends an employment contract with Gilbert Cervantes as an Office Assistant II at a starting salary of $13.25 per hour.

Authorization is requested for the Assistant Executive Officer of Human Services to execute amendments to extend the term of the contract for a maximum of three successive one-year periods. Notwithstanding the foregoing, either party may terminate the contract at any time without cause with 14 days’ prior written notice to the other party. The County may terminate the contract immediately for just cause.

Review

This item has been reviewed by Human Resources (Mark DeBoer, Human Resources Employment Division Chief, 387-5564) on April 18, 2017; County Counsel (Cynthia O’Neill, Deputy County Counsel, 387-5455) on April 19, 2017; Human Services Contracts (Tanya Bratton, Deputy Executive Officer, 388-0280) on April 18, 2017; Finance (John Hallen, Administrative Analyst, 388-0208) on April 27, 2017; and County Finance and Administration (Tanya Bratton, Deputy Executive Officer, 388-0280) on May 1, 2017.

If eligibility requirements are not met at the time of separation, unused Sick Leave shall be forfeited.

Contractor to Regular County Employment

In the event this Contract is terminated because Contractor is appointed to a regular County position without a break in service, the Contractor shall be provided a new date of hire (i.e., Regular Hire Date). Eligibility for benefits, including, but not limited to, retirement system contributions, health benefits, and leave accrual rates shall be based upon the provisions of the applicable Memorandum of Understanding (MOU) or ordinance in effect at the time Contractor is appointed to a regular County position. Seniority, for purposes of layoff, shall be determined by the most recent Regular Hire Date or as otherwise provided in the applicable MOU.

At the sole discretion of the appointing authority of the County department or office in which appointment to the regular position is made, unused leave balances may be maintained and carried over. Contractor shall submit evidence of eligibility to work in the United States and verification of identity within three (3) working days of the effective date of this Contract. Contractor shall submit to and successfully complete pre-employment background check, including a medical examination through the County’s Center for Employee Health and Wellness before employment commences. This provision is satisfied if Contractor is a current employee or Contractor who previously met the requirements of this provision.

F. DIRECT DEPOSIT

Contractor must make arrangements for the direct deposit of paychecks into the financial institution of their choice via electronic fund transfer. Inability or failure by Contractor to make such arrangements will result in the County paying Contractor via pay card.

G. MISCELLANEOUS

| Background Information | On June 1, 2016, the Commission approved a contract with Vavrinek, Trine, Day & Co., LLP (VTD) to conduct and prepare an Annual Audit and Report and render an opinion of the Commission’s financial statements.  
In prior years, F5SB has prepared the annual financial statements internally. Management reviewed the fiscal unit structure and determined for efficiency and consistency it would best serve F5SB if these duties were contracted out by the current auditors, VTD.  
In accordance with Government Auditing Standards, the audit firm that audits the Commission is permitted to prepare the Commission’s financial statements, given the following safeguards are in place: |
<p>| | The Commission will delegate an individual with the skills, knowledge and experience to effectively oversee the preparation of the financial statements. This individual should be knowledgeable of generally accepted accounting principles and/or routinely oversees the preparation of the Commission’s financial statements. This individual will review and approve the financial statements and sign a management representation letter asserting the financial statements are presented in accordance with generally accepted accounting principles. |
| | VTD will prepare the draft of the Commission’s financial statements, and will subject the review of the financial statements to several internal quality control reviews, including an engagement manager review, an engagement partner review, and a quality control partner review. These additional reviews are in place to ensure the financial statements are prepared and presented in accordance with generally accepted accounting principles, and to meet the safeguard requirements of Government Auditing Standards. **Financial Impact**

**Background Information**
On November 2, 2016, the Commission approved an agreement between First 5 San Bernardino (F5SB) and the Orange County Office of Education who serves as the First 5 California Region 9 HUB lead.

Approval of this agreement allowed F5SB to receive its allocation of HUB funds in the amount of $67,150 on an annual basis to support its Quality Rating Improvement System (QRIS) implementation and design from a regional approach.

The use of these funds is for QRIS database expenses, technical assistance, and travel costs to attend regional and state meetings. Associated costs have been budgeted and will be offset with HUB funds.

The recommendation to the Commission is to amend Fiscal Year Budget 2016-2017 as follows:

- reallocate First 5 California (IMPACT) revenue by $67,150 from $1,241,371 to $1,174,221 and;
- increase “other revenue” from Orange County Office of Education by $67,150 from $6,950 to $74,100. The transfer of funds will not affect the overall budget for 2016-2017.

<td><strong>Background Information</strong></td>
<td>For the past eight years, First 5 San Bernardino (F5SB) has partnered with the Prevent Child Abuse California (PCA CA) AmeriCorps program by investing matching dollars to support positions providing school readiness activities in preschools throughout San Bernardino County. AmeriCorps State and National is a service program that grants funding to a broad network of public and nonprofit organizations to provide assistance in recruiting, training and supervising AmeriCorps members to meet critical community service needs. F5SB staff seek to gain Commission approval to negotiate a contract to fund the match for Fiscal Year 2017-2018 for four (4) positions at 1700 hours each to provide a year round program. Members will continue to have presence in multiple preschool sites throughout the county promoting school readiness. The requirement for matching the federal dollars for F5SB is $18,865 per full-time AmeriCorps member for an 11-month service term. The Legal Applicant for the First 5 Service Corps (AmeriCorps) grant is the California Children and Families Foundation (CCAFF) which is the sister agency to the First 5 Association. Prevent Child Abuse California (PCA CA) provides intermediary services as outlined in a contract between PCA CA and CCAFF, but provides no funding for member costs. The AmeriCorps member cost is $75,460 per year which includes Living Allowance, FICA, Workers Comp, Health Care, Background Checks, Payroll Processing, Data Collection Systems, Member Training Costs, Administrative Costs, Program Supplies and Education Award. The Federal contribution per year is $18,865 per member. This amount includes healthcare coverage costs for members, approximately $8,660 for the program year. If a member chooses not to elect healthcare coverage that amount will not be expended in this contract. This requested funding would be allocated from the Commission’s education service priority area (SPA 1), Goal 1.2 Early Learning.</td>

D. Erroneous Certification or Assurance
   The assurances and certifications are material representations of fact upon which we rely in determining whether to enter into this transaction. If we later determine that you knowingly submitted an erroneous certification or assurance, in addition to other remedies available to the federal government, we may terminate this transaction for cause or default.
E. Notice of Error in Certification or Assurance
You must provide immediate written notice to us if at any time you learn that a certification or assurance was erroneous when submitted or has become erroneous because of changed circumstances.

F. Definitions
The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. An applicant shall be considered a “prospective primary participant in a covered transaction” as defined in the rules implementing Executive Order 12549. You may contact us for assistance in obtaining a copy of those regulations.

G. Assurance Requirement for Subgrant Agreements
You agree by signing this Contract that you shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by us.

H. Assurance Inclusion in Subgrant Agreements
You agree by signing this Contract that you will obtain an assurance from prospective participants in all lower tier covered transactions and in all solicitations for lower tier covered transactions that the participants are not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction.

I. Assurance of Subgrant Principals
You may rely upon an assurance of a prospective participant in a lower-tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless you know that the assurance is erroneous. You may decide the method and frequency by which you determine the eligibility of your principals. You may, but are not required to, check the List of Parties Excluded from Federal Procurement and Non-procurement Programs.

J. Non-Assurance in Subgrant Agreements
If you knowingly enter into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, we may terminate this transaction for cause or default.

K. Prudent Person Standard
Nothing contained in the aforementioned may be construed to require establishment of a system of records in order to render in good faith the assurances and certifications required. Your knowledge and information is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

The following information represents the Performance Measures that were submitted and approved by CaliforniaVolunteers and CNCS as part of the 2015/18 First 5 Service Corps proposal. As such, they reflect the statewide aggregate outputs and outcomes for the program. SUBCONTRACTOR is responsible for meeting its specific outputs and outcomes, a subset of the aggregate values. The SUBCONTRACTOR Performance Measure targets are dependent upon the full enrollment of the number of AmeriCorps member position is included in this Contract. SUBCONTRACTOR shall vigorously pursue 100% retention of AmeriCorps members.

PRIMARY PERFORMANCE MEASURE TITLE: SCHOOL READINESS

NEED

Research indicates a child’s early development of social emotional, literacy, and numeracy skills are critical for school success. Economically disadvantaged children and/or children with exceptional needs, such as English language learners are more at-risk for academic failure as they lack access to quality early childhood education programs with linguistically appropriate instruction. Many low-income or non-English speaking parents lack the knowledge/resources needed to play a critical role in their child’s school success.

EXPECTED RESULTS

Output (the amount of service provided, people served, products created, or programs developed through planned intervention):
Children and parents receive school readiness activities and services.

Outcome (the changes or benefits that occur as a result of the intervention):
Children meet age-appropriate developmental school readiness milestones.

AMERICORPS MEMBER ACTIVITIES DESIGNED TO ACHIEVE EXPECTED RESULTS

AmeriCorps members provide 25 economically disadvantaged children 35 hours of one-on-one GOLD Assessment school activities in social emotional, literacy, and numeracy. Members administer GOLD Assessment and develop an individualized Early Education Plan and deliver social emotional, literacy, and numeracy skills activities in classroom, small-group, and one-on-one settings. Members provide parents of economically disadvantaged children 5 hours of workshops teaching the importance of and techniques for book sharing with children at home to develop family literacy routines. Members provide culturally and linguistically appropriate books and a DVD so parents read to their child for 20 minutes 3 times per week for 8 weeks, applying what they have learned.

MEASUREMENT TOOLS

OUTPUT - Student Daily Contact Log to collect data on number of children who start and complete participation in an AmeriCorps Early Childhood Education Program, the number of hours that children receive skill building services in social emotional, literacy, and/or numeracy. Members submit data in the online database monthly, Project Manager monitors quarterly. Completed by AmeriCorps members daily.

OUTCOME - Teaching Strategies GOLD Assessment to collect data on the number of children that demonstrate social emotional, literacy, and/or numeracy skills. Members submit data in the online database monthly, Project manager monitors quarterly. Completed by AmeriCorps members within the first 5 hours of service delivery, at 35 hours of service delivery, and at the end of the program year (year-long programs).

OUTCOME - Raising a Reader Parent Survey to collect data on the number of parents that demonstrate improvement in family literacy behaviors including sharing books with their children more frequently, visiting the library, establishing a family routine for reading books to their child 60 minutes/per week for 8 weeks. Members submit data in the online database monthly, Project manager monitors quarterly. Completed by AmeriCorps members at the onset of service delivery, and at the end of the service delivery.

EXPECTED RESULTS
Engage Community Volunteers in Service

MEMBER ACTIVITIES TO ACHIEVE EXPECTED RESULTS
Target population is all community members with a particular focus on Parents of the beneficiary children.
Members will recruit volunteers to serve in both ongoing and one-time community project opportunities. ### Subject
Continued Support of Reach Out and Read Initiative for Fiscal Year 2017-2018.

### Recommendations
Approve First 5 San Bernardino’s (F5SB) continued support of the Reach Out and Read Initiative in partnership with the American Academy of Pediatrics, California Chapter 2 (AAP-CA2) to provide books for distribution to young children by pediatricians, not to exceed a total of $159,533 for Fiscal Year 2017-2018.

(Presenter: Mary Jaquish, Program Supervisor, 252-4254)

### Financial Impact
$159,533 for period of July 1, 2017 through June 30, 2018.

### Background Information
On January 6, 2016, the Commission approved $250,000 to support a national evidence based literacy improvement intervention program countywide. The effort is in partnership with American Academy of Pediatrics, California Chapter 2 (AAP-CA2) and Reach Out and Read national, to provide eligible pediatricians with a service agreement for a supply of children’s books to distribute during well-child check-ups for children 0-5. To date there are 45 pediatricians participating in the Reach Out and Read Initiative countywide. There is additional interest to roll-out this literacy program at Arrowhead Regional Medical Center, Beaver Medical Center, and other private local pediatricians.

This initiative aims to improve early learning and strengthen child literacy rates in the Inland Empire region offering literacy education resources which align with the County’s Vision2Read campaign and Cradle to Career goals, both endorsed by the San Bernardino County Board of Supervisors.

Recognizing the value of and need for early literacy, F5SB partnered with the AAP-CA2 to bring pediatricians on board with adopting and implementing Reach Out and Read. This program uses the well-child checkups from 6 months to 5 years to connect reading as a vital practice in early development and provides families with books to build home libraries to instill a culture of reading. Recent child health data from kidsdata.org indicates that 98% of parents take their children to well-baby check-ups.

Reach Out and Read is an evidence-based intervention. Peer-reviewed and published studies show that literacy promoting interventions by a pediatrician using the Reach Out and Read model have a significant effect on parental behavior and attitudes toward reading aloud. Studies also show that parents who receive books and literacy counseling from their pediatricians are more likely to read to their young children and to bring more books into the home.

F5SB continues to prioritize steps to ensure that parents and caregivers are knowledgeable of and can utilize effective early learning resources in their child’s development. An additional collective effort that supports this systems-wide goal is demonstrated by the partnership developed between the County Superintendent of Schools, San Bernardino County Preschool Services Department, Children’s Fund and F5SB with the recently launched Footsteps2Brilliance program, an innovative early learning mobile technology platform that provides free access to early literacy activities to all families with children birth through pre-K, who reside in
San Bernardino County. Research shows that more than 80 percent of parents own smartphones or mobile devices. Reach Out and Read provides an additional support to this system of literacy improvement by ensuring children have actual books and home libraries to access when not using the mobile application. The child’s pediatrician is “prescribing” that parents read aloud to their children and make reading a priority in their positive development.

Pending Commission approval, F5SB staff recommend the Commission continue their commitment to supporting early literacy by rolling over unexpended funds in the amount of $159,533 from the January 6, 2016 Commission Meeting, Agenda Item 4. F5SB staff will work with the AAP-CA2 to develop strategies to sustain the Reach Out and Read initiative by identifying and linking resources for additional books to participating practices.

This initiative aligns with the First 5 San Bernardino’s 2015-2020 Strategic Plan.

(SPA) 1: Children and Families - Goal 1.2 Early Learning
Objective 1.2.c: Parents and caregivers are engaged in children’s learning.

(SPA) 2: Systems and Network - Goal: 2.1 Leadership as a Convener and Partner
Objective 2.1a Systems and services effectively support and engage children, families and communities.

AGENDA ITEM 8
MAY 3, 2017

Subject
One year contract for countywide Asthma Screening and Services.

Recommendations
Approve Contract HW056 with the County of San Bernardino Arrowhead Regional Medical Center for Fiscal Year 2017-2018 in the amount of $222,038 to maintain asthma services for an additional year.

(Presenter: Ronnie Thomas, Staff Analyst II, 252-4255)

Financial Impact
$222,038 for Fiscal Year 2017-2018.

Background Information
In the Spring of 2012, the Commission approved multiple contractors under Health Services (RFP 11-02) to support services under First 5 San Bernardino’s health focus area. Among those approved was Arrowhead Regional Medical Center to provide early screening and intervention services for Asthma/Bronchitis.

The Strategic Plan allows us to support goals and programs that are sustainable, effective, and reach children and families most in need of services. The plan ensures that the specific objectives and strategies employed by the Commission yield the greatest outcomes for young children.

The framework of the 2015-2020 Strategic Plan ensures congruence and enhancement to the existing network of support services for families with children ages 0 to 5 throughout the County. It ensures that specific outcomes can be measured and ensures the Commission’s support to sustainability under the health objectives.

One specific focus is on leveraging resources through partnerships at County, State and Federal levels to develop and coordinate systems. Key considerations include ensuring the Commission’s ability to provide leadership and respond to opportunities within a changing context.

Approval of this contract will allow First 5 San Bernardino (F5SB) staff to maintain asthma services for an additional year to allow staff to plan and prepare a procurement that will support building a regional asthma model of care. This process will include F5SB county and community stakeholders and First 5 Riverside (F5R) who provide various areas of support for asthma care to ensure a broader collective impact. This one-year planning period will further allow the F5SB staff to reevaluate the objectives, identify and collaborate with other providers and resources, tighten alignment with the revised Strategic Plan and make recommendations that ensure funding is appropriately aligned and allocated with the Commissions’ goals to operate more from a systems level.

The contractor/program listed above has been successful in meeting contract and target objectives in improving significant outcomes for children and families over the past three years. F5SB staff request approval of this contract for one year, ending June 30, 2018.
This contract supports SPA 1 of First 5 San Bernardino’s Strategic Plan specifically, and Objective Activities for 1.1a, 1.1b and 1.1c:

SPA 1: Children and Families - Goal 1.1: Child Health

Objective 1.1a: Families have access to resources and environments that support the total wellness of the child.

Objective 1.1b: Families are knowledgeable of and utilize available resources to manage their health.

A full scope of treatment may include preventative services, such as cleaning and oral hygiene instruction for parent and/or child, as well as restoration or removal of damaged teeth and proper space maintenance. Complete treatment results in the proper function and comfort of the child’s mouth in a developmentally appropriate way. It anticipates the best possible outcome for healthy permanent teeth.

The indirect cost rate would be used to distribute the proportional amount of indirect costs to the individual projects or activities based on a Board approved cost allocation plan.

**Inland Empire Autism Assessment Center of Excellence (AACE):** AACE will be designed to provide a comprehensive assessment for all children referred as potentially being diagnosed with Autism Spectrum Disorder ASD. The center will be designed around the child to be child-centric rather than agency-centric.

**Participant Transportation:** Budget line item category for costs involved with transporting participants to needed services and/or appointments.

**Perinatal Parent Education Program:** Programs that address the concerns and needs of a pregnant woman, her infant child, and the woman’s support system. These programs address and affect not only healthy birth outcomes but improved child well-being and family stability outcomes as well.

**Performance Target:** The specific result that a Contractor seeking investment will commit to achieve. It is tangible in the sense that it can be verified and narrow enough to be directly achieved by the Contractor. It almost always represents a measurable change in the participant of a program.

**Professional Services/Consultants:** Independent contractors hired to perform services not related to providing direct services. Examples include janitorial services, bookkeeping services, speakers, etc.

**Program Materials/Supplies:** Budget line item category for items directly related to service delivery such as course curriculum, children’s books, journals used by participants, child development toys, etc.
Program Work Plan: A document containing program expectations and deliverables as agreed upon by First 5 San Bernardino and program contractors. The work plan includes information on the individual components of the program in addition to structure including dosage, activities, outcome expectations and verification methods. This document is signed by the contractor leadership and is approved by the First 5 San Bernardino Commission.

Quality Child Care: Licensed child care and early learning programs (including home-based and center-based care) are safe, healthy, nurturing, stimulating, supportive, interactive, culturally appropriate and sensitive to the needs of all children. They promote early education and the development of trusting relationships to support individual children’s physical, emotional, social and intellectual development.

Relapse: The process of becoming unable to cope with life in sobriety. The process may lead to renewed alcohol or drug abuse, physical or emotional collapse, or suicide and is marked by predictable and identifiable warning signs that begin long before a return to use or collapse occurs.

Relapse Prevention: Efforts to teach people to recognize and manage warning signs so that they can interrupt the progression to relapse or collapse and return to the process of recovery.

Request for Proposal (RFP): The document used to solicit a solution or solutions from potential Contractors to a specific problem or need.

Researched Based: See evidence-based: Using research as the basis for determining best practices.

Reasonable Rate of Success: Total number of program participants expected to successfully complete the program meeting the outcome targets.

Rural Health Clinic (RHC): Clinics that are certified under section 1861(aa)(2) of the Social Security Act to provide care in underserved areas, and therefore, to receive cost-based Medicare and Medicaid reimbursements.

Satisfaction Survey: Survey designed to measure the participant’s overall satisfaction with the services rendered. Satisfaction Surveys address specific aspects of service provision in order to identify problems and opportunities for improvement.

Special Needs: Children having an identified disability, health, or mental health condition(s) that require early interventions, special education services, or other specialized supports.

Staff Development/Training: Budget line item category for expenses associated with staff training, conferences, retreats, classes, and any other staff development activities related to the funded program.

Staff Mileage/Travel: Budget line item category for employee mileage and travel costs (including lodging and food) for travel related to the program, based on the current IRS allowable rate.

Strengthening Families™: A framework for working with children and families. The approach allows for consistency across child- and family-serving systems and acknowledges the interdependent factors affecting families every day. The foundation of this framework is built upon five research-based Protective Factors. When these Protective Factors are present and robust, families are less likely to experience child abuse or neglect and are more equipped to create environments for young children’s optimal development.

In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of
insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the Commission, inflation, or any other item reasonably related to the Commission’s risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Contract. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the Commission to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the Commission.

If the Contractor uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the Contractor agrees to amend, supplement or endorse the existing coverage to do so. AGENDA ITEM 9  
MAY 3, 2017

**Subject**
Update regarding partnership with Prevent Child Abuse California (PCA CA) to implement the Nurturing Parenting Program (NPP) by AmeriCorps service members.

**Recommendation**
Update regarding partnership with Prevent Child Abuse California (PCA CA) to implement the Nurturing Parenting Program (NPP) by AmeriCorps service members in San Bernardino County and Intent to Release Request for Applications (RFA).
(Presenter: Mary Jaquish, Program Supervisor, 252-4254).

**Financial Impact**
None

**Background Information**
In the fall of 2016, First 5 San Bernardino (F5SB) staff became aware of a statewide AmeriCorps effort by PCA CA utilizing the NPP models and case management to better serve families in the Child Welfare System (CWS).

PCA CA notified F5SB staff that the agency had unspent funds from its Corporation for National and Community Service - Child Welfare System Improvement (CWSI) grant cycle, a federal program, for 2014-2017. These unspent funds from Fiscal Year 2016-2017 created an opportunity for F5SB to explore a potential program enhancement opportunity.

On December 7, 2016, the Commission authorized the Executive Director to explore an extended partnership with Prevent Child Abuse California (PCA CA) utilizing two (2) AmeriCorp Services Members to provide the Nurturing Parenting Program (NPP) curriculum and case management services to children and families in an amount not to exceed $22,578 in matching funds for two positions.

On January 4, 2017, F5SB released RFA 17-01 to identify an organization to obtain and utilize these additional AmeriCorps service members within an existing NPP for a six-month period in Fiscal Years 2016-2018. The deadline for proposals was February 3, 2017 with a contract start date of March 2, 2017. There was no response to this opportunity with no applications received by the deadline date.

**Subsequent Opportunity**
PCA CA is currently seeking reallocation of this Child Welfare System Improvement (CWSI) program funding from the federal budget under the 2017-2020 grant cycle. As authorization to participate was approved by the Commission on December 7, 2016, the Executive Director, on behalf of First 5 San Bernardino, has submitted a Letter of Intent to apply to PCA CA if the federal grant opportunity actually becomes available this upcoming fiscal year.
