WELCOME
Melinda Bradbury, Supervising Probation Officer with San Bernardino County Probation Department, is my MLA mentee and shadowing me today.

SAVE THE DATE
Friday, June 7th – “First 5 Operation Splash” water safety event at Perris Hill Park in San Bernardino from 11:00 a.m. to 3:00 p.m. Mayor John Valdivia and Councilman James Mulvahill are confirmed to attend and support the event.

Saturday, June 15th – “First 5’s Summer Swim Fest” event is now being offered in the High Desert for the first time. Event takes place from 11:00 a.m. to 3:00 p.m. Great job to LuCretia Dowdy, First 5 Marketing Aide, for making this happen.

THANK YOU’s
Thank you to Dr. Weinstein for joining me on May 17th for a brainstorming session with IEHP where they are looking for partnership in improving immunization rates. We were able to share some innovative ideas that we will explore over the next few months. IEHP asked that I convey their appreciation to Dr. Weinstein for his provider input into the discussion and planning.

Thank you to Dr. Margaret Hill and CaSonya Thomas who participated in the Surgeon General’s visit to the Inland Empire on June 3rd. This event marked California’s first ever Surgeon General Dr. Nadine Burke Harris coming to the IE on the last leg of her statewide listening tour to raise awareness about the link between Adverse Childhood Experiences (ACE), toxic stress and serious health conditions. Dr. Burke Harris’s goal was to travel the state and listen to the unique challenges communities in each region face when addressing root causes of serious health conditions and health disparities, bringing together community members, healthcare providers, and leaders to roundtables to better understand how the Office of the Surgeon General can support communities with prevention and treatment. The full story begins on Page 1 of my Executive Director report.

The 2nd Annual Symposium on “Infant Toddler Mental Health and Adverse Childhood Experiences” took place at the Riverside Convention Center on May 20th. See page 2 of the Executive Director Report. First 5 Riverside, First 5 San Bernardino and Cal Baptist University collaborated in hosting this event with Dr. Bruce Perry as the keynote speaker. We have already requested Dr. Nadine Burke Harris present on her research and work with toxic stress and Adverse Childhood Experiences.

(Third Quarter Budget Status Report presented to Commissioners)
Motion by Commissioner Weinstein and seconded by Commissioner Hill to approve the Consent Item.

Approve Budget for Fiscal Year 2019-2020 updates to the Five Year Financial Plan.  
(Presenter: Debora Dickerson-Sims, Deputy Director of Finance, 252-4269)

Discussion

Commissioner Hill inquired about the building lease. Ms. Dickerson-Sims answered that First 5 is currently in the sixth year of a ten-year lease. Understanding that there are future opportunities for funding, Commissioner Thomas asked how First 5 staff is strategizing to maintain services with current revenues decreasing. Ms. Dickerson-Sims answered First 5 staff is actively seeking other funding sources, such as Federal or State grants, to assist in maintaining services. For example, Federal funds were obtained for the Dental Transformation Initiative (DTI) program. Commissioner Thomas asked if the Department of Behavioral Health (DBH) maxed the Medi-Cal target within the SART budget? Ms. Dickerson-Sims stated staff will contact DBH for that information.

Commissioner Ovitt asked if there are incremental increases in the building lease contract in the next five years. The answer was yes, there are incremental increases each year as stated in the contract. Commissioner Ovitt suggested that the 22 million set aside dollars, outside of the operating budget, would be a good amount to invest. Ms. Dickerson-Sims shared that currently First 5 dollars are held in the County treasury and invested in the same manner as County funds. First 5 staff will research if the $22 million set aside could be placed in a different County Treasury account so that interest earnings can accrue.

Chair Ohikhuare asked what can First 5 do about sustainability within a systems approach of funding and support. Executive Director Karen Scott stated that the development of the next strategic plan, which Advisory and staff members are currently working on, will help answer that question. The plan will help identify and guide First 5 through specific strategies and goals in which to invest and support for the future. Related to evolving systems and a sustainability focus, it is unknown whether the new Strategic Plan will be designed for implementation over one, two, or three years versus the customary five-year period most Commissions have engaged in.

Approve Contract EC036 with the County of San Bernardino Preschool Services Department (PSD) for $176,000 per year for a cumulative total amount of $528,000 for Fiscal Years 2019 through 2022 in support of the Early Head Start – Child Care Partnership (EHS-CCP).
(Presenter Tania Offerrall, Staff Analyst II, 252-4262)

Discussion
Commissioner Hill asked about the number of students not receiving HeadStart services and are there strategies in place to try to move them into the program. Phalos Haire, Preschool Services Department Interim Director, came to the podium to answer the question. Approximately 186,000 children are ages 0 to 5 in the County. Of that number, there are about 50,000 HeadStart eligible children (under the Federal poverty level). Half of that number are between 0 to 2 years and the other half between 3 to 5 years. Mr. Haire stated HeadStart serves about 6,000 children annually. PSD actively seeks leveraging additional funding to provide services.

Commissioner Ovitt asked if there is a geographic area that is particularly short-changed? Mr. Haire answered that the High Desert tends to have a larger waiting list than most other areas.

(Presenter: Karen E. Scott, Executive Director, 252-4252)

Financial Impact

Approval of this item does not impact Discretionary General Funding (Net County Cost). The estimated annual cost of the salaries is $533,901, and is fully reimbursed by the Children and Families Commission’s (Commission) Trust Fund. Adequate appropriation and revenue have been included in the Commission’s 2019-20 budget and will be included in future recommended budgets.

Background Information

The Commission is recommending new employment contracts as the result of a reorganization that requires revisions to the employment contracts for the positions in the Recommendation to update position titles, job duties, and salaries of four current employees. The new employment contracts shall be effective July 21, 2019 through July 20, 2022, subject to the termination provisions of the contracts.

The Assistant Director position will assist the Commission’s Executive Director in formulating department policies, procedures, determining priorities, and in maintaining and developing funding sources. The Chief Financial Officer position will be responsible for the Commission’s operating budget and fund balance, revenues, trending, impact analysis, balance sheets and an annual audit. The Deputy Director of Systems and Impact position will be responsible for the administration of all systems, programs, evaluation/impact, communication and Community Engagement services. The Business Support Manager position will maintain the internal business technology infrastructure, manage the administrative needs of the systems, programs and Community Engagement Teams, as well as overseeing the Commission’s Emergency Services planning and supervising the
work of assigned support staff.

The Commission uses California’s tax on cigarettes and tobacco products to provide services for the State’s youngest residents and their families. The Commission collaborates with the community and child-serving agencies to fulfill their mission of promoting, supporting, and enhancing the health and early development of children prenatal through age five and their families.

On January 23, 2001 (Item No. 59), the Board of Supervisors (Board) approved Contract No. 01-50 with the Commission to maintain a cooperative working relationship to effectively and efficiently implement the Commission’s mission. The terms and conditions of the agreement require Human Services to provide the Commission with support for the administration of staff benefits, review and act on Board agenda items and personnel-related issues, and provide employment contract administration services. The agreement has been amended several times to revise language regarding services or to add services provided by the County. The Commission fully reimburses the County for the cost of these services.

**PROCUREMENT**

A procurement was not performed at this time as the contracts are only being presented to update the contract language. All of the contract employees were previously vetted through the normal procurement process for contract employees.

**Review**

This item has been reviewed by Human Resources (Mark DeBoer, Human Resources Division Chief, 387-5564) on June 24, 2019; County Counsel (Cynthia O’Neill, Supervising Deputy County Counsel, 387-5455) on June 19, 2019; Human Services Contracts (Jennifer Mulhall-Daudel, Contracts Manager, 388-0241) on June 24, 2019; Finance (John Hallen, Administrative Analyst, 388-0208) on June 24, 2019; and HS Finance and Administration (Danny Tillman, Department Information Services Administrator, 386-3765) on June 24, 2019.

AGENDA ITEM 3
July 10, 2019

Subject
Amend Contract with Arrowhead Regional Medical Center

Recommendations
Approve Amendment A2 for Contract HW056 with the County of San Bernardino Arrowhead Regional Medical Center for the Breathmobile program for Fiscal Year 2019-2020 in the amount of $222,038, resulting in a cumulative total of $666,114 for Fiscal Years 2017-2020, for asthma early screening and intervention services for children ages 0 through 5.

(Presenter: Scott McGrath, Deputy Director, Systems and Impact, 252-4259)

Financial Impact
$222,038 for Fiscal Year 2019-2020.

Background Information
In the Spring of 2012, the Commission approved multiple contractors under First 5 San Bernardino’s health initiative with Health Services RFP 11-02 to provide early screening and intervention services for asthma with young children. Among those approved was Arrowhead Regional Medical Center through Contract HW043 which funded a portion of the Breathmobile program for a 3 – year service period plus extensions (07/2012 – 06/2017). On May 3, 2017, the Commission approved Contract HW056 for asthma intervention services for children ages 0 – 5, to include asthma screening, skin/allergy testing, pulmonary function testing, pre and post assessments, care coordination, and extensive asthma education for parents. The ARMC Breathmobile staff provided children and their parents with Peak Flow Meters, Inhalers, Metered Dose Inhaler Spacers, and other pharmaceuticals. As a First 5 SB Grantee requirement, ARMC Breathmobile also completed ASQ-3 Developmental Screenings for each aged 0 – 5 child and made appropriate referrals based on those screenings.

In May 2018, a one-year extension (HW056 A1) for Fiscal Year 2018-2019 was approved by the Commission to avoid gaps in asthma intervention services by intentionally supporting heightened levels of service that could be provided more expediently, and as supplemental services (braided funding) to those services already existing, thereby improving access and outcomes for children and families.

The Strategic Plan guides First 5 San Bernardino (F5SB) to support goals and programs that are sustainable, effective, and reach children and families most in need of services. The plan ensures specific objectives and strategies employed by the Commission yield the greatest outcomes for young children.

Visiting forty school sites per year, rotating each location every six weeks, the ARMC Breathmobile provides coordinated case identification, structured mobile office visits, diagnostic testing, physical exam, pharmacological therapy and patient/family education in asthma management. The main goal is to keep kids healthy, in school and out of the emergency room.

Arrowhead Regional Medical Center’s Breathmobile has been successful in strengthening relationships with school district nurses and Head Start staff as it relates to asthma education and referrals. Parents, caregivers, and school nurses are appreciative of the many services the Breathmobile provides.
400 children will receive asthma screenings, 240 parents will receive asthma education services, and 150 children will receive care coordination and developmental screenings.

Approval of Contract HW056 A2 will allow Arrowhead Regional Medical Center to provide a full array of asthma intervention services to children and their families for an additional year and enable F5SB staff to continue learning and visioning as we reevaluate objectives, identify and collaborate with other providers and resources, align with the Strategic Plan and make recommendations to ensure funding strengthens the Commission’s goals to operate more from a systems level focus.

Under the Strategic Plan, approval of this contract supports:

**SPA 1: Children and Families**  
**Goal 1.1: Child Health**

**Objective 1.1.a:** Families have access to resources and environments that support the total wellness of the child

**Objective 1.1.b:** Families are knowledgeable of and utilize available resources to manage their health

<th>Letter of Intent to Prevent Child Abuse California for AmeriCorps</th>

</table>
| **Recommendations** | Approve a letter of intent with Prevent Child Abuse California to participate in the First 5 Service Corps program for Fiscal Year 2019-2020 and authorize the Executive Director to execute the letter. Authorize continued funding match not to exceed $126,635 for Fiscal Year 2019-2020 for six (6) AmeriCorps service member positions to provide school readiness services.  
(Presenter: Staci Scranton, Business Support Manager, 252-4282) |

| Background Information | Research indicates a child’s early development of social emotional, literacy, and numeracy skills are critical for school success. Economically disadvantaged children and/or children with exceptional needs, such as English language learners are most at-risk for academic failure as they lack access to quality early childhood education programs with linguistically appropriate instruction. For the past ten years, First 5 San Bernardino (F5SB) has partnered with Prevent Child Abuse California (PCA CA), which is an affiliate of the national Prevent Child Abuse America, to participate in the First 5 Service Corps program. First 5 Service Corps utilizes AmeriCorps members to provide economically disadvantaged children with 35 hours of one-on-one school readiness activities in social emotional, literacy, and numeracy. Additionally, AmeriCorps members provide support to F5SB’s community engagement efforts and volunteer in their communities. Through the partnership with PCA CA, F5SB is able to leverage federal funding that PCA CA receives from the Corporation for National and Community Services (CNCS), which covers up to 34% of members costs which include living allowance, FICA, Workers Compensation, Health Care, Background Checks, Payroll Processing, Data Collection Systems, Member Training Costs, Administrative Costs, Program Supplies, and the Segal Education Award. This year, CNCS has increased the Segal Education Award to $6,095 for full time 1700-hour members that successfully complete their tour of duty. In order to assist in expanding AmeriCorps State Programs, Governor Newsom has included in the 2019/2020 state budget a California State Education Award called "California for All Education Award". AmeriCorps members will receive an additional $3,905 as part of the California for All Education Award, for a combined total of $10,000. The Commission's funding match requirement is $20,510 per each of the five (5) full-time AmeriCorps members and $24,085 for one full-time Lead AmeriCorps member, for a total not to exceed $126,635 for Fiscal Year 2019-2020 to provide a year-round program. The Head Start sites where the selected AmeriCorps members will serve will be based on the proximity to the members’ homes and sites where San Bernardino Preschool Services Department (PSD) has identified children in need of one-on-one early education support. F5SB and PSD have a Memorandum of Understanding (MOU) that defines the relationship between the two entities and the AmeriCorps Program, which was approved by the Commission in July 2018 for a term through September 2020. |
A letter of intent with Prevent Child Abuse California is presented today for Commission approval to continue the AmeriCorps program in Fiscal Year 2019-2020 under which five (5) AmeriCorps members and one (1) lead AmeriCorps member will be selected and commence services on August 16, 2019, pending Commission approval of a contract with PCA CA. Candidates selected for service must have a high school diploma, a minimum of 12 semester units of college education in the field of early childhood development, advocacy and outreach strengths and ability to be flexible in diverse ethnic, social and economic communities. An open recruitment will be held and members will be selected in a competitive interview process.

Approval of this item supports SPA 1 Children and Families, Goal 1.2 Early Learning of First 5’s Strategic Plan.

SPA 1: Children and Families
Goal: 1.2: Early Learning
Objective: 1.2a Families have access to quality early childhood care and education

THIS WORKBOOK CONTAINS ALL OF THE FORMS AND INSTRUCTIONS NECESSARY TO ENSURE A SUCCESSFUL CONTRACTING PROCESS.

WE THANK YOU IN ADVANCE FOR YOUR PARTICIPATION!

IMPORTANT!

DUNS NUMBER

Pursuant to the 2015 General Terms and Conditions (for AmeriCorps Programs), you must provide PCA CA with your DUNS Number, which will then be included in your 2019-2020 AmeriCorps Contract. If you do not have a DUNS number, you can obtain one from Dun and Bradstreet, Inc. by calling 866-705-5711, or online at http://fedgov.dnb.com/webform. A DUNS Number is free to all businesses required to register with the Federal government for contracts or grants.

PCA CA cannot enter into contract with your agency without your DUNS number: please contact us if you need to obtain one.

The Administrative and Cost Principles apply to new subawards and subcontracts made after 12/26/2014. By answering the questions with this workbook, which are in alignment with Federal guidance, you will be helping PCA CA ensure compliance with the new requirements.

PLEASE READ ALL INSTRUCTIONS CAREFULLY. IF YOU ARE UNCLEAR AS TO HOW TO PROCEED, PLEASE CONTACT KRISTINE DOBSON AT kdobson@thecapcenter.org or 916-244-1936
After completing the workbook and obtaining all supporting information (certificate(s) of insurance and audit), print each tab and sign/date where applicable. Place all items in an envelope, and mail to:

## 2019/2020 First 5 SC Performance Measure Targets

### AGENCY INFORMATION

**Lead Agency Name:** Children and Families Commission for San Bernardino County

The following information represents the Performance Measures that were submitted and approved by CaliforniaVolunteers and CNCS as part of the 2018/21 First 5 Service Corps proposal. As such, they reflect the statewide aggregate outputs and outcomes for the program. SUBCONTRACTOR is responsible for meeting its specific outputs and outcomes, a subset of the aggregate values. The SUBCONTRACTOR Performance Measure targets are dependent upon the full enrollment of the number of AmeriCorps member position is included in this Contract. SUB CONTRACTOR shall vigorously pursue 100% retention of AmeriCorps members.

### PRIMARY PERFORMANCE MEASURE TITLE: SCHOOL READINESS

#### NEED

Research indicates a child’s early development of social emotional, literacy, and numeracy skills are critical for school success. Economically disadvantaged children and/or children with exceptional needs, such as English language learners are most at-risk for academic failure as they lack access to quality early childhood education programs with linguistically appropriate instruction. Many low-income or non-English speaking parents lack the knowledge/resources needed to play a critical role in their child’s school success.

#### EXPECTED RESULTS

- **Output (the amount of service provided, people served, products created, or programs developed through planned intervention):**
  - Children and parents receive school readiness activities and services.
- **Outcome (the changes or benefits that occur as a result of the intervention):**
  - Children meet age-appropriate developmental school readiness milestones.

#### AMERICORPS MEMBER ACTIVITIES DESIGNED TO ACHIEVE EXPECTED RESULTS

- AmeriCorps members provide 25 economically disadvantaged children 35 hours of one-on-one GOLD Assessment school activities in social emotional, literacy, and numeracy. Members administer GOLD Assessment and develop an individualized Early Education Plan and deliver social emotional, literacy, and numeracy skills activities in classroom, small group, and one-on-one settings.
- Members provide parents of economically disadvantaged children 5 hours of workshops teaching the importance of and techniques for book sharing with children at home to develop family literacy routines. Members provide culturally and linguistically appropriate books and a DVD so parents read to their child for 20 minutes 3 times per week for 8 weeks, applying what they have learned.

#### MEASUREMENT TOOLS

**OUTPUT** - Student Daily Contact Log to collect data on number of children who start and complete participation in an AmeriCorps Early Childhood Education Program, the number of hours that children receive skill-building services in social emotional, literacy, and/or numeracy. Members submit data in the online database daily, Project manager monitors quarterly. Completed by AmeriCorps members daily.

**OUTCOME** - Teaching Strategies GOLD Assessment to collect data on the number of children that demonstrate social emotional, literacy, and/or numeracy skills. Members submit data in the online database monthly, Project manager monitors quarterly. Completed by AmeriCorps members within the first 5 hours of service delivery, at 35 hours of service delivery, and at the end of the program year (year-long programs).

**OUTCOME** - Raising a Reader Parent Survey to collect data on the number of parents that demonstrate improvement in family literacy behaviors including sharing books with their children more frequently, visiting the library, establishing a family routine for reading books to their child 60 minutes/per week for 8 weeks. Members submit data in the online database monthly. Project manager monitors quarterly. Completed by AmeriCorps members at the onset of service delivery, and at the end of the service delivery.

B. Certification – Drug-Free Workplace

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988, 34 CFR Part 85, Subpart F. The regulations require certification by grantees, prior to award, that they will maintain a drug-free workplace. The certification set out below is a material representation of fact upon which reliance will be placed when the agency determines to award the grant. False certification or violation of the certification may be grounds for suspension of payments, suspension or termination of grants, or government-wide suspension or debarment (see 34 CFR Part 85, Section 85.615 and 85.620). As the duly authorized representative of the grantee, I certify, to the best of my knowledge and belief that the grantee will provide a drug-free workplace by:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

2. Establishing a drug-free awareness program to inform employees about:
   a. The dangers of drug abuse in the workplace,
   b. The grantee's policy of maintaining a drug-free workplace,

   a. Abide by the terms of the statement, and
   b. Notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction.
5. Notifying us within ten days after receiving notice under subparagraph (d) from an employee or otherwise receiving actual notice of such conviction;
6. Taking one of the following actions, within 30 days of receiving notice under subparagraph (d), with respect to any employee who is so convicted:
   a. Taking appropriate personnel action against such an employee, up to and including termination; or
   b. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency.
7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (1) through (7).

C. Certification – Lobbying Activities
   As required by Section 1352, Title 31 of the U.S. Code, as the duly authorized representative of the applicant, I certify, to the best of my knowledge and belief, that:
   1. No federal appropriated funds have been paid or will be paid, by or on behalf of the applicant, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer of Congress in connection with the awarding of any federal contract, the making of any federal loan, the entering into of any cooperative agreement, or modification of any federal contract, grant, loan, or cooperative agreement;
   2. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the applicant will submit Standard Form-LLL, “Disclosure Form to Report Lobbying,” in accordance with its instructions;
   3. The applicant will require that the language of this certification be included in the award documents for all subcontracts at all tiers (including subcontracts, subgrants, and contracts under grants, loans and cooperative agreements) and that all subrecipients will certify and disclose accordingly.

D. Erroneous Certification or Assurance
   The assurances and certifications are material representations of fact upon which we rely in determining whether to enter into this transaction. If we later determine that you knowingly submitted an erroneous certification or assurance, in addition to other remedies available to the federal government, we may terminate this transaction for cause or default.
E. Notice of Error in Certification or Assurance
You must provide immediate written notice to us if at any time you learn that a certification or assurance was erroneous when submitted or has become erroneous because of changed circumstances.

F. Definitions
The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. An applicant shall be considered a “prospective primary participant in a covered transaction” as defined in the rules implementing Executive Order 12549. You may contact us for assistance in obtaining a copy of those regulations.

G. Assurance Requirement for Subgrant Agreements
You agree by signing this Contract that you shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by us.

H. Assurance Inclusion in Subgrant Agreements
You agree by signing this Contract that you will obtain an assurance from prospective participants in all lower tier covered transactions and in all solicitations for lower tier covered transactions that the participants are not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction.

I. Assurance of Subgrant Principals
You may rely upon an assurance of a prospective participant in a lower-tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless you know that the assurance is erroneous. You may decide the method and frequency by which you determine the eligibility of your principals. You may, but are not required to, check the List of Parties Excluded from Federal Procurement and Non-procurement Programs.

J. Non-Assurance in Subgrant Agreements
If you knowingly enter into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, we may terminate this transaction for cause or default.

K. Prudent Person Standard
Nothing contained in the aforementioned may be construed to require establishment of a system of records in order to render in good faith the assurances and certifications required. Your knowledge and information is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

Re: 2019-20 First 5 Service Corps Program Costs per 1700 hour & 900 hour members

We are pleased that the Corporation for National and Community Service (CNCS) has continued First 5 Service Corps funding for the 2019-20 program year. The quality implementation of First 5 Service Corps at partnering First 5 Commissions is largely responsible for the continued funding. We thank you and your team for your support of their successes.

Now that the funding has been secured, the partner contracting process can begin. A key component of contracting is the 2019-20 partner match per 1700 hour and 900 hour members. As in prior years, Prevent Child Abuse California (PCA CA) will utilize a structure for First 5 Service Corps which allows partnering agencies to choose the member Living Allowance “Tier” that best meets their First 5 Commission needs and budget. There is a slight decrease in 2019-20 member costs and therefore the 2019-20 First 5 Service Corps “Tiers” that require explanation. Due to the exemplary supervision and attention to safety at our partner sites we were notified of a decrease in worker’s compensation. When applying this decrease to member costs the result is a 1.11 % to a 2.57% decrease for 1700 hour members and a 1.0% to a 1.84% decrease for 900 hours members.

For your review, the tables on the next pages outline the “2019-20 Living Allowance Tiers and the Total Cost for a 1700 and a 900 hour Member”. Member health care costs are also outlined in the table and are estimated at $3785 for a 1700 hour member. Part-time (900 hour) members are not eligible to receive health care benefits. For the 2018-19 First 5 Service Corps year, less than 20% of members elected health care benefits. As of this date, CNCS has not issued 2019-20 guidance on member health care requirements. Should we receive CNCS guidance on member health care different than what is reflected in the current budget, PCA CA may need to revise the health care cash match amounts to be in compliance with CNCS guidance.

In the tables, Section A outlines the member’s annual Living Allowance (amount that members receive over the course of their 11-12 month term of service) and “Other Member Costs” associated with member costs including, but not limited to, FICA, Worker’s Compensation, Health Care, member training, and uniforms, to derive the Total Cost per member based on the First 5 Commission’s chosen tier. “Other Member Costs” have been adjusted according to “Tier” levels.
Section B outlines the share of that member cost that will be covered by the awarded Federal Grant Dollars from the Corporation for National and Community Service (CNCS Share), and the share of the member cost covered by First 5 Commissions/First 5 Service Corps partners (First 5 Partner Share).

Section C illustrates the percentage of costs covered by both Federal Grant Dollars (CNCS Share) and the First 5 Commissions/First 5 Service Corps Partners Cash Match (First 5 Partner Share).

Please accept our sincere thanks for your continued partnership. Your efforts have contributed to the success of the First 5 Service Corps and ensure our capacity to provide school readiness services for children who otherwise would go without.

Please do not hesitate to contact me if additional information or clarification is needed. I can be reached at mbaldwin@thecapcenter.org or (916) 244-1962.

AGENDA ITEM 5
July 10, 2019

Subject
Contract with American Academy of Pediatrics, District IX, Chapter 2

Recommendations
Approve Contract EC037 with American Academy of Pediatrics, District IX, Chapter 2 in the amount of $361,775 for Fiscal Year 2019-2020 for the Reach Out and Read San Bernardino Initiative.
(Presenter: Staci Scranton, Business Support Manager, 252-4282)

Financial Impact
$361,775 for period of July 1, 2019 through June 30, 2020.

Background Information
Since January 6, 2016, First 5 San Bernardino (F5SB) has collaborated with the American Academy of Pediatrics - CA Chapter 2 (AAP – CA2) to build a Reach Out and Read Initiative in San Bernardino County (ROR-SB) by recruiting pediatricians to adopt and implement the Reach Out and Read program. This program utilizes the well-child checkups from 6 months to 5 years of age to connect reading as a vital practice in early development and provides families with books to build home libraries to instill a culture of reading. The child’s pediatrician is “prescribing” that parents read aloud to their children and make reading a priority in their positive development.

Reach Out and Read is an evidence-based intervention. Peer-reviewed and published studies show that literacy-promoting interventions by a pediatrician using the Reach Out and Read model have a significant effect on parental behavior and attitudes toward reading aloud. Studies also show that parents who receive books and literacy counseling from their pediatricians are more likely to read to their young children and to bring more books into the home.

Reading proficiency is one of the greatest predictors of children’s success in school, their likelihood of going to college, and their future earning potential, according to a 2010 study by the Annie E. Casey Foundation. With nearly 60 percent of third graders in San Bernardino County scoring below grade level in reading, F5SB continues to prioritize steps to ensure that parents and caregivers are knowledgeable of and can utilize effective early learning resources in their child’s development.

In an effort to align with F5SB’s Systems strategy and Reach Out and Read National’s Affiliate Network strategy, F5SB staff is recommending that the AAP-CA2 adopt a greater role in the partnership by becoming the affiliate for ROR-SB. Commission approval of Contract EC037 will allow the AAP-CA2 to become the affiliate, hire a full-time Program Coordinator to support the existing ROR-SB sites, expand the program to additional sites through San Bernardino County, and identify ways to sustain the program through additional resources.

This initiative aligns with the First 5 San Bernardino’s 2015-2020 Strategic Plan.

(SPA) 1: Children and Families - Goal 1.2 Early Learning
Objective 1.2.c: Parents and caregivers are engaged in children’s learning.
(SPA) 2: Systems and Network - Goal: 2.1 Leadership as a Convener and Partner Objective 2.1a Systems and services effectively support and engage children, families and communities.

**NOW THEREFORE**, in accordance with the conditions stated herein, the Commission and Contractor mutually agree to the following terms and conditions:
I. DEFINITIONS

**Accessibility:** Ease of obtaining services, measured by addressing geographical, travel and other barriers.

**Adult-Adolescent Parent Inventory (AAPI):** An inventory designed to assess the parenting and child rearing attitudes of adult and adolescent parent and pre-parent populations. Based on the known parenting and child rearing behaviors, responses to the inventory provide an index of risk for practicing behaviors known to be attributable to child abuse and neglect.

**Affordable Care Act (ACA):** Health care reform law enacted in March 2010. Affordable Care Act (ACA) refers to the final amended version of the law.

**Ages and Stages Questionnaire (ASQ-3):** A developmental screening tool to screen young children to easily identify potential delays as early as possible and determine which children need further assessment or ongoing monitoring. A full scope of treatment may include preventative services, such as cleaning and oral hygiene instruction for parent and/or child, as well as restoration or removal of damaged teeth and proper space maintenance. Complete treatment results in the proper function and comfort of the child’s mouth in a developmentally appropriate way. It anticipates the best possible outcome for healthy permanent teeth.

An organization having several major functions may need to accumulate the indirect costs into separate groupings and then allocate proportionally to the benefiting functions by means of a base which best measures the relative degree of benefit. The indirect cost rate would be used to distribute the proportional amount of indirect costs to the individual projects or activities based on a Board approved cost allocation plan.

Inland Empire Autism Assessment Center of Excellence (AACE): AACE will be designed to provide a comprehensive assessment for all children referred as potentially being diagnosed with Autism Spectrum Disorder ASD. The center will be designed around the child to be child-centric rather than agency-centric.

They promote early education and the development of trusting relationships to support individual children’s physical, emotional, social and intellectual development.

**Reach Out and Read (ROR):** Reach Out and Read is a research-proven, nonprofit school readiness program based in health centers and hospitals. At every well-child visit, pediatricians give advice and guidance to parents on reading aloud to their young children, and give them an age-appropriate book to take home.

**Reach Out and Read (ROR) Affiliate:** Reach Out and Read affiliates are statewide and regional offices that work directly with Reach Out and Read program sites to ensure effective implementation of the model, provide technical assistance, and oversee program expansion, community outreach, fundraising, public relations, and advocacy in their geographic area. Affiliates are led by a Medical Director.

**Relapse Prevention:** Efforts to teach people to recognize and manage warning signs so that they can interrupt the progression to relapse or collapse and return to the process of recovery.

**Request for Proposal (RFP):** The document used to solicit a solution or solutions from potential Contractors to a specific problem or need.

**Researched Based:** See evidence-based: Using research as the basis for determining best practices.

The approach allows for consistency across child- and family-serving systems and acknowledges the interdependent factors affecting families every day. Reach Out and Read San Bernardino Scope of Work FY 2019-2010

Reach Out and Read is an evidence-based nonprofit organization of medical providers who promote early literacy and school readiness in pediatric exam rooms nationwide by giving new books to children and advice to parents about the importance of reading aloud. The end goal of Reach Out and Read is to prepare all children to enter kindergarten ready to read, learn, and succeed. The Reach Out and Read model is endorsed by the American Academy of Pediatrics, and the program has one of the strongest records of research support of any primary care intervention.

Doctors, nurse practitioners, and other medical professionals incorporate Reach Out and Read’s evidence-based model into regular pediatric checkups, by advising parents about the importance of reading aloud and giving developmentally appropriate books to children. They are essentially providing families with “prescriptions to read.”

Reach Out and Read begins at the 6-month checkup and continues through age five (5), with a special emphasis on children growing up in low-income communities. Families served by Reach Out and Read read together more often, and their children enter kindergarten with larger vocabularies and stronger language skills, better prepared to achieve their potential.
