| 4        | Conduct Public Hearing for the Children and Families Commission for San Bernardino County’s Annual Audit for Fiscal Year 2018-2019. (Presenter: Debora Dickerson-Sims, Chief Financial Officer, 252-4269)  
   Public Hearing conducted. No public comments presented on this item.  
   Ms. Dickerson-Sims introduced David Showalter from Eide Bailly (formerly known as Vavrinek, Trine, Day and Co., LLP) who presented to the Commission the following finding. Correction action for the finding and target date for implementation is listed below:  
   **Finding Number 2019-001: Salaries and Benefits Policies**  
   **Criteria:** Per Health and Safety Code sections 130151(b)(8) and 130140 (d)(6), county commission must adopt, in a public hearing, policies and procedures for establishing salaries and benefits for its employees. The employees’ salaries and benefits policies must comply with those set forth in the commission policies or the county government policies. Additionally, per the First 5 San Bernardino Children and Families Commission’s (Commission) Salary and Benefit Policy 16-02 A1, the Commission, in cooperation with the San Bernardino County Director of Human Resources or designated representative, and the San Bernardino County Division Chief for Human Resources or designated representative, along with the Commission’s Appointing Authority (Assistant Executive Officer for Human Services), |
has the authority to recommend and approve new employee classes and structure, employee reclassifications, employee recruitment/retention salary adjustments for increased compensation in situations where such a need exists. Such actions are subject to agreement by Human Resources and the Board of Commissioner’s review and approval.

**Condition:** The actual salaries and benefits paid for two employees were not consistent with the salaries and benefits policies adopted by the Commission. As a result, a total amount of $1,252 was over paid to these two employees during the fiscal year.

**Corrective Action:** The Commission will implement policies and procedures designed to ensure salary changes approved by the Commission Board are communicated to the County in a timely basis, and verify the changes for accuracy and completeness. The Commission will also periodically review salary rates reported through the County Payroll System and compare to Commission approved salaries for accuracy.

**Target Date for Implementation:** Immediate.

| Commissioner Hill asked how many non-baby friendly hospitals are in San Bernardino County. The answer was six. Are mothers aware of the IEBC when they leave the hospital and the importance of breastfeeding? If they are in a baby-friendly hospital, mothers are made aware of the coalition and are educated on the importance of breastfeeding. Laurie Hasley, IEBC Board Treasurer, came to the podium and explained there are 10 steps (policies and procedures) which need to be implemented within hospitals to be designated as "baby-friendly", with certification every five years. 10 hospitals are currently baby-friendly. In the last two years, there has been discussion about the cost of the baby-friendly initiative through Baby Friendly USA, which is a part of the World Health Organization and the fair market cost they have to
pay for baby formula. The State of California has passed a bill that all hospitals must be baby-friendly certified or baby friendly-like by 2025. There are 13 hospitals in San Bernardino County and most of them are in some path in meeting all the policies and procedures. The IEBC mission is to help hospitals keep their momentum going and not back out of being a baby-friendly institution. The goal is to build infrastructure (i.e., regular network meetings on a monthly basis with hospital staff) and get all 13 hospitals on board.

Dr. Weinstein concurred that becoming a baby-friendly hospital is a rigorous process and not just a simple ask. It involves participation by the nursing staff, physicians, pediatricians, and obstetricians. The physicians need to do their part of the training, as well.
