I. INTRODUCTION

Purpose

The Children and Families Commission for San Bernardino County (First 5 San Bernardino) was created in December, 1998 in order to realize the benefits of Proposition 10 (California Children and Families Act) for the County's youngest residents and their families. The act created a program for the purpose of promoting, supporting, and improving the early development of children from the prenatal stage to five years of age, under the guidance of the Children and Families Commission for San Bernardino, and in collaboration with the community and agencies providing services to children. Since 1998, First 5 San Bernardino (F5SB) has invested more than $187 million dollars to ensure a better future for children age 0-5 and their families.

With many years of data collected and analyzed, F5SB is able to articulate specific needs of children and their families from a systems building perspective. This has guided not only the revision of the F5SB Strategic Plan but also development of the initiative to assist families and communities in being engaged, supported and strengthened through culturally effective resources and opportunities that assist them in nurturing, caring, and providing for their children’s success and well-being.

In 2015, F5SB invested in Family and Community Support Partnerships for Family Support Services (FCSP-FSS) as the selected initiative to support goals under First 5’s Strategic Priority Area 1 – Children and Families.

Analysis of data from the most recent Commission investments indicates that the greatest positive gains for families were attained from the parenting education component with a structured case management component.

As a result of positive outcomes experienced by F5SB with their current FCSP-FSS contracts utilizing the Nurturing Parenting curriculum, F5SB seeks to expand the reach and implement the Child Welfare Services (CWS) AmeriCorps Program. F5SB will fund two (2) AmeriCorps positions to serve families at one selected agency that is not currently funded as a FCSP-FSS contractor. The purpose in designing this opportunity is to partner with Prevent Child Abuse California (PCA CA) to establish the protocol of the Nurturing Parenting Program (NPP) dosage level for the Child Welfare System Improvement CWS AmeriCorps Program, administered by PCA CA.

There are distinct Roles and Responsibilities for each participating CWS AmeriCorps Program agency/member:

A. PCA CA serves as the lead agency for the CWS AmeriCorps Program, in collaboration with Partner Agencies in various counties around the state of California. PCA CA is part of The Child Abuse Prevention Center, which serves as a Nurturing Parenting Center and employs NPP certified trainers. PCA CA provides Partners with intensive training in NPP as well as ongoing technical assistance and refresher trainings.

B. First 5 San Bernardino is responsible for recruiting, hiring, and supervising CWS AmeriCorps members. The F5SB Supervisor and participating AmeriCorps members must be trained in NPP (at least 24 hours of training, usually 4 days of 6-hr trainings during a week near the beginning of the member’s term of service).

C. Contractor Site Supervisors provide additional trainings and support to members and oversight for the NPP component of their specific program design. Site Supervisors collaborate with others in the community to establish referrals for at-risk parents to be connected to NPP. Site Supervisors also ensure that reporting requirements are met.

D. CWS AmeriCorps members have committed to a term of National Service. Members must be open minded and willing to receive intensive NPP training, and then assist their
hosting agency with implementing the NPP component of their programs. Members will facilitate NPP lessons directly with parents, including Veteran parents, as well as case management with participants, and will complete the required reporting documentation and processes.

Agencies applying for this opportunity must have provided Nurturing Parenting Programs for a minimum of two years and must not be currently funded by First 5 San Bernardino under the FCSP-FSS Initiative. The selected host agency will be required to utilize the AmeriCorps members to provide Nurturing Parenting Programs (NPP) and case management services to families at risk of entering the Child Welfare System (CWS).

**Minimum Requirements**

Ensure that AmeriCorps member collects and organizes performance data on an ongoing basis, tracks progress toward meeting the Performance Measures (Attachment A), and corrects performance deficiencies promptly. Contract agency is also responsible for managing the day-to-day service activities of the CWS AmeriCorps Program and NPP program participants.

(d) Have the administrative capacity to provide management of the AmeriCorps members.

(e) Meet other presentation and participation requirements listed in this RFA.

**Program Description & Objectives**

For the past seven years, First 5 San Bernardino (F5SB) has partnered with the Prevent Child Abuse California (PCA CA) AmeriCorps program by investing matching dollars to support positions providing school readiness activities in preschools throughout San Bernardino County.
AmeriCorps State and National is a service program that grants funding to a broad network of public and nonprofit organizations to provide assistance in recruiting, training and supervising AmeriCorps members to meet critical community service needs.

In conjunction with school readiness activities, F5SB has adopted the Strengthening Families Framework to be integrated into programs for its design to utilize the five protective factors that contribute to families being safe, healthy, nurturing and self-sustaining. When these Protective Factors are present and robust, families are less likely to experience child abuse or neglect, and are more equipped to create environments for young children’s optimal development. The protective factors framework is in alignment with the First 5 San Bernardino Mission and Vision and First 5 San Bernardino Strategic Plan.

Through the Investing in Children RFP, released in 2011, First 5 San Bernardino (F5SB) sought to support improved parenting and family self-sufficiency outcomes for parents and caregivers of children 0-5 through NPP. Analysis of data from the most recent Commission investments indicates that positive gains for families were attained from the parenting education component. Through this RFA 17-01, the Commission seeks to recruit an agency to host two (2) AmeriCorps members to participate in PCA CA CWS AmeriCorps Nurturing Parenting Program, for a six-month term.

**Objective**

1. The objective of this RFA through the CWS AmeriCorps Program is to provide two (2) AmeriCorps members in service to one agency. The goal for the one agency to host two (2) AmeriCorps members is to gain improved family outcomes and the reduction of child abuse for parents/caregivers of children age 0-5 by investing in services to families in need of the skills consistent with the Five Protective Factors.

2. Parents will receive crisis intervention and parenting education services. Parents will not enter/re-enter the Child Welfare System. Parents will reduce their risk for child abuse and neglect behaviors, increase their parenting knowledge, and decrease their level of stress. Veteran parents will complete Corporation for National and Community Service (CNCS)-supported crisis support and parenting education assistance.

3. The First 5 San Bernardino Strategic Plan identifies Children and Families in Strategic Priority Area (SPA) 1, through Goal 1.3 – Family and Community Support and Partnerships, of which three of the objectives are included in this RFA:
   - Children are free from abuse and neglect
   - Parents provide developmentally appropriate care
   - Families are resilient

These objectives support Goal 1.3 that “Families and communities are engaged, supported, and strengthened through culturally effective resources and opportunities that assist them in nurturing, caring, and providing for their children’s success and well-being.” The results of implementing the CWS AmeriCorps Program will be defined by Performance Measure Targets listed in Attachment A.

The CWS AmeriCorps Program model will utilize the evidence-based Nurturing Parenting Program as the primary service delivery with case management as a supportive service.

**Program Requirements**

Recognizing that all young children and their families deserve the same opportunities to succeed, regardless of demographic, geographic or economic considerations, First 5 San Bernardino will invest in programs that support improved family outcomes through various approaches to strengthening the families of children 0-5. From a targeted, systematic approach
these programs support the goal that “Families and communities are engaged, supported, and strengthened through culturally effective resources and opportunities that assist them in nurturing, caring, and providing for their children’s success and well-being.” In addition to the minimum requirements outlined in RFA.

Program Restrictions

Nurturing Parenting: Evidence/research based curriculum that is a family-centered and trauma-informed initiative designed to build nurturing parenting skills and child-rearing
practices. The programs feature activities to foster positive parenting skills and self-nurturing, home practice exercises, family nurturing time, and activities to promote positive brain development in children birth to 18 years.

**Strengthening Families™:** A framework for working with children and families. The approach allows for consistency across child- and family-serving systems and acknowledges the interdependent factors affecting families every day. The foundation of this framework is built upon five research-based Protective Factors. When these Protective Factors are present and robust, families are less likely to experience child abuse or neglect and are more equipped to create environments for young children’s optimal development.

**Unduplicated Clients:** Clients who are counted as receiving service for the first time in a fiscal year.

**Verification:** Validates that something represented to happen does in fact take place. The verification tools must be approved by the Commission.

This indemnification provision shall apply regardless of the existence or degree of fault of indemnitees. The Contractor’s indemnification obligation applies to the Commission’s “active” as well as “passive” negligence but does not apply to the Commission’s “sole negligence” or “willful misconduct” within the meaning of Civil Code Section 2782.

b) **Additional Insured** – All policies, except for the Workers’ Compensation, Errors and Omissions and Professional Liability policies, shall contain endorsements naming the Commission and its officers, employees, agents and volunteers as additional insureds with respect to liabilities arising out of the performance of services hereunder. The additional insured endorsements shall not limit the scope of coverage for the Commission to vicarious liability but shall allow coverage for the Commission to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11 85.
c) **Waiver of Subrogation Rights** – The Contractor shall require the carriers of required coverages to waive all rights of subrogation against the Commission, its officers, employees, agents, volunteers, contractors and subcontractors. The Contractor hereby waives all rights of subrogation against the Commission.

d) **Policies Primary and Non-Contributory** – All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the Commission.

e) **Severability of Interests** – The Contractor agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between the Contractor and the Commission or between the Commission and any other insured or additional insured under the policy.

f) **Proof of Coverage** – The Contractor shall furnish Certificates of Insurance to the Commission Department administering the Contract evidencing the insurance coverage at the time the Contract is executed, additional endorsements, as required, shall be provided prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department, and Contractor shall maintain such insurance from the time Contractor commences performance of services hereunder until the completion of such services. i) **Failure to Procure Coverage** – In the event that any policy of insurance required under this Contract does not comply with the requirements, is not procured, or is canceled and not replaced, the Commission has the right but not the obligation or duty to cancel the contract or obtain insurance if it deems necessary and any premiums paid by the Commission will be promptly reimbursed by the Contractor or Commission payments to the Contractor will be reduced to pay for Commission purchased insurance.

j) **Insurance Review** – Insurance requirements are subject to periodic review by the Commission. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the Commission. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or
higher coverage limits, provided that any such change is reasonable in light of past claims against the Commission, inflation, or any other item reasonably related to the Commission’s risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Contract. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the Commission to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the Commission.

k) The Contractor agrees to provide insurance set forth in accordance with the requirements herein. If the Contractor uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the Contractor agrees to amend, supplement or endorse the existing coverage to do so. The type(s) of insurance required is determined by the scope of the contract services.

In response to a denied award, Proposer may protest, provided the appeal is in writing, is delivered to the address listed, and submitted within five (5) business days of the date on the notification of a denied award. Grounds for an appeal are that the Commission failed to follow the selection procedures and adhere to requirements specified in the RFA and any addenda or amendments; there has been a violation of conflict of interest provided by California Government Code Section 87100 et seq.; or violation of State or Federal law. Appeals will not be accepted on any other grounds. Only an agency that has submitted a RFA in compliance with the RFA 17-01 and addenda or amendments may present a protest to the Commission. An appeal submitted by any other parties or individuals, including potential subcontractors, employees or unrelated entities, will not be considered and shall be automatically rejected.

In the event of an appeal, all appeals will be handled by a panel designated by the Commission. The Commission will consider only those specific issues addressed in the written appeal. A written response will be directed to the protesting Proposer advising of the decision with regard to the protest and the basis for the decision. Any decision of the Commission will be final.

The appeal must include the following: 1) reference to the CWS AmeriCorps Program RFA 17-01 Appeal; 2) basis of appeal; 3) supporting documentation and statements (optional); and 4) name, position, address, telephone, facsimile numbers, and email for agency point of contact for the appeal.
