Community Awareness
The Children and Families Act of 1998, Proposition 10, has allowed First 5 San Bernardino to make a significant impact in improving the lives of children and families in San Bernardino County. We seek to make the public aware of the positive outcomes that have been achieved as a result of First 5 San Bernardino’s investments. We especially strive to reach those who interact with young children and are involved in the health and nurturing of children under five years of age. Our intent is to create advocates of First 5 San Bernardino in an effort to continue the work that we do for children and families in need.
